

Action Plan in response to the PPO Report into the death of Mr Matthew Scott on 17 June 2024, following release from HMP Lincoln

Rec No	Recommendation	Accepted / Not accepted	Response Action Taken / Planned	Responsible Owner and Organisation	Target Date
1	The Head of Service Delivery for substance misuse should satisfy themselves that the local policy on the offer and issue of Naloxone on release captures prison leavers with previous opiate use and other relevant risk factors.	Accepted	A local policy is now in place that encapsulates the recommendation around the offering and issuing of Naloxone to prison leavers with a history of opiate use and other relevant risk factors. In addition to this a member of staff is situated in reception during the morning to assess all prison leavers with historic or ongoing opiate issues and offer Naloxone irrespective of whether they have been engaging with the Substance Misuse Service. Interactions will be recorded on Nomis.	Head of Service Delivery for Substance Misuse We Are With You	Complete
