

Action Plan in response to the PPO Report into the death of Mr Liam Darby on 21 July 2023 following release from HMP Erlestoke

Rec No	Recommendation	Accepted / Not accepted	Response Action Taken / Planned	Responsible Owner and Organisation	Target Date
1	The Head of Healthcare should ensure that all contact and interventions with prisoners under the care of the substance misuse service are properly recorded.	Accepted	<p>Following the report from the PPO - CGL staff to source access and attend training for NOMIS (National Offender Management Information System).</p> <p>CGL staff are now recording information on to PNOMIS prison system regarding welfare checks and assessments, this will allow the Prison staff to know that welfare checks are being completed.</p> <p>CGL staff are also recording information within 24 hours on to SystmOne patients medical record, these contain more information relevant to the client in a person-centred way.</p>	Head of Healthcare, Oxleas NHS Foundation Trust and Change Grow Live (CGL)	Completed
