

Action Plan in response to the PPO Report into the death of Mr Glen Candler on 06 March 2025 at HMP Wakefield

Rec No	Recommendation	Accepted / Not accepted	Response Action Taken / Planned	Responsible Owner and Organisation	Target Date
1	The Head of Healthcare should review the current vaccinations process to ensure that if a patient is unavailable, a further appointment is offered.	Accepted	If an appointment for a vaccination does not go ahead because the patient is unavailable, the patient is automatically added back to the waiting list. An entry will be made on the SystemOne record to advise why the scheduled appointment did not take place as planned.	Head of Healthcare Practise Plus Group	Completed
