

Action Plan in response to the PPO Report into the death of

Mr John Woodland on 05 September 2023 at HMP Frankland

Rec No	Recommendation	Accepted / Not accepted	Response Action Taken / Planned	Responsible Owner and Organisation	Target Date
1	The Head of Healthcare should ensure that all prisoners with long-term conditions are offered an annual review.	Accepted	All patients are offered LTC annual reviews. If a patient declines to attend they will still be offered an alternative appointment. HMP Frankland now has a permanent LTC nurse in post	Head of Healthcare Spectrum	Completed
2	The Head of Healthcare should ensure that nursing care plans are implemented in a timely manner to deliver consistent, high-quality care.	Accepted	Care plans are reviewed on a monthly basis when required. Staff have been informed of the importance of implementing a care plan when required. Ongoing monitoring	Head of Healthcare Spectrum	Completed
3	The Governor and Head of Healthcare should ensure that all staff completing and authorising risk assessments justifying the use of restraints on prisoners taken to hospital understand the legal position, and that assessments fully take into account the health of a prisoner and are based on the actual risk the prisoner presents at the time.	Accepted	<p>The HCC manager will brief all medical staff that if they highlight mobility issues on the risk assessments, they must record the impact on the prisoner's mobility so this can be considered by the operational manager signing off the risk assessment.</p> <p>The operational manager should record their reasoning if restraints are applied after considering all information available.</p>	Head of Healthcare Spectrum Head of security HMPPS	1.8.24
