

Action Plan in response to the PPO Report into the death of Mr Stephen Jones on 5 May 2024 at HMP Peterborough

Rec No	Recommendation	Accepted / Not accepted	Response Action Taken / Planned	Responsible Owner and Organisation	Target Date
1	The Head of Healthcare should ensure that care plans are created for all patients with suspected coronary heart disease.	Accepted	<p>We have discussed with the Chronic disease nurse the importance of personalised care plan for each of the chronic conditions, this action is now in place, and the care plans are regularly reviewed in LTC clinic.</p> <p>Audit tool is in place for LTC care plan.</p>	Heads of Healthcare (Northamptonshire Healthcare NHS Foundation Trust)	Completed
2	The Head of Healthcare should ensure that healthcare staff routinely review patients with high blood pressure results.	Accepted	<p>Those patients who have hypertension are placed on a hypertension list on system one, this includes what medication they are on and the date of their next review as per NICE guidelines. Reception nurses are aware to add new patients to CDN register.</p> <p>CDN review the register regularly and action appropriately.</p>	Head of Healthcare (NHFT)	Completed

3	<p>The Director should review the local training programme for control room staff to ensure that it is sufficiently rigorous, includes the full range of frequently occurring events and an understanding of the actions required by national instructions, and involves an objective test of readiness to work alone.</p>	Accepted	<p>The establishments Learning & Development Team will be tasked to develop an in-house training package which is compliant with national procedures and localised contingency plans.</p> <p>This will be designed to be used as either a follow up or precursor to attendance at the HMPPS Control Room course.</p> <p>Completion of the local training package will be the minimum requirement prior to new starter Operational Support Officers taking on Control Room duties. Wherever possible, subject to national availability, Control Room Operators will be assigned to the HMPPS course prior to taking on Control Room duties.</p>	Learning & Development Team (Sodexo)	December 2024
