

Action Plan in response to the PPO Report into the death of Mr Jefferey Earp on 02 January 2025 at HMP Wealstun

Rec No	Recommendation	Accepted / Not accepted	Response Action Taken / Planned	Responsible Owner and Organisation	Target Date
1	The Governor should ensure that the prison's review of their local processes addresses the issues about the use of restraints identified in this report.	Accepted	Following a review of processes, a new log has been introduced in the communications room and a record is kept of any issues reported to the prison from escort and bed watch staff. These issues are relayed to the Orderly Officer or Duty Governor for consideration. An email has been sent to all senior managers and Custodial Managers who authorise escorts outlining the required actions to follow once a serious / terminal illness has been confirmed, including that the use of restraints is reviewed., This is to ensure that staff are aware of the legal position on the use of restraints and that escort and bed watch risk assessments fully consider the health of a prisoner based on the actual risk the prisoner presents at the time.
