## Survey responses compared with those from other HMIP surveys of open prisons

In this table summary statistics from HMP Haverigg 2025 are compared with the following HMIP survey data:

- Summary statistics from surveys of open prisons conducted since the introduction of the new questionnaire in November 2023 (five prisons).

Please note that this does not include all open prisons.

Shading is used to indicate statistical significance\*, as follows:

Green shading shows results that are significantly more positive than the comparator

Blue shading shows results that are significantly more negative than the comparator

Orange shading shows significant differences in demographics and background information

No shading means that differences are not significant and may have occurred by chance

Grey shading indicates that we have no valid data for this question

\* less than 1% probability that the difference is due to chance

Number of completed questionnaires returned
