#### **HMP Lewes 2025 Survey Results**

#### **CONTENTS**

- Tab 1 Summary statistics from HMP Lewes 2025 compared with summary statistics from surveys of local prisons inspected since November 2023.
- Tab 2 Summary Statistics from HMP Lewes 2025 compared with summary statistics from HMP Lewes 2024.
- Tab 3 Responses of prisoners on the vulnerable prisoner wing (F wing) compared with those from the rest of the establishment.
- Tab 4 Responses of prisoners who reported that they were on remand or awaiting sentence compared to those who were sentenced.
- <u>Tab 5</u> Responses of prisoners who are under 25 are compared to those who are 25 and over.
- <u>Tab 6</u> Responses of prisoners who are 50 and over are compared to those who are under 50.
- <u>Tab 7</u> Responses of prisoners from all other ethnic groups combined are compared with those of white prisoners.
- <u>Tab 8</u> Responses of foreign national prisoners compared with those of UK/British nationals.
- Tab 9 Responses of Muslim prisoners compared with those of non-Muslim prisoners.
- <u>Tab 10</u> Responses of prisoners who reported that they had a disability compared to those who did not.
- Tab 11 Responses of prisoners who reported that they had mental health problems compared with those who did not.
- Tab 12 Responses of prisoners who reported that they had been in local authority care compared with those who did not.

#### HMP Lewes 2025 Survey responses compared with those from other HMIP surveys of local prisons

In this table summary statistics from HMP Lewes 2025 are compared with the following HMIP survey data:

- Summary statistics from surveys of local prisons conducted since the introduction of the new questionnaire in November 2023 (15 prisons). Please note that this does not include all local prisons.

#### Shading is used to indicate statistical significance\*, as follows:

Green shading shows results that are significantly more positive than the comparator

Blue shading shows results that are significantly more negative than the comparator

Orange shading shows significant differences in demographics and background information

No shading means that differences are not significant and may have occurred by chance

Grey shading indicates that we have no valid data for this question

\* less than 1% probability that the difference is due to chance

### HMP Lewes 2025 Comparison of survey responses between sub-populations of prisoners

In this table responses of prisoners who have been in local authority care (e.g. lived with foster parents or in a children's home, or had a social worker, while under 18 years old) are compared with those who have not.

Please note that these analyses are based on summary data from selected survey questions only.
