### Risk Assessment Form

#### SPECIAL INSTRUCTIONS

- Never attach detainees by restraint to furniture, fixtures or fittings, or the seatbelt of a plane.
- If restraints are applied, this decision should be kept under regular review and changes in context should prompt an immediate review.
- The Person Escort Record form should be used to record details of regular reviews as outlined in DSO 18/2012 (e.g. location and time handcuffs were applied/removed, what information led to this and who made the decision).
- Record on the Person Escort Record (PER) Form the mood/behaviour of the detainee whilst on escort.
- Record all restraint checks on the PER.
- No smoking or smoking breaks to be taken whilst on escort.
