1820 of his neck up off the floor?1821 **Aaron Stokes:** It wasn't – people are saying chunks of his neck, it was literally bits of  
1822 leftover skin cos he was cutting – he was cutting his neck like... [Inaudible] was in there,  
1823 [inaudible] watched him, trying to get the blade off him. And I saw two others in there, I  
1824 looked in there. There was claret on the floor –1825 **Callum Tulley:** Oh right.1826 **Aaron Stokes:** – chunks on the [inaudible]. I want to get everyone away, cos everyone's  
1827 crowding around. It's like, right, get out of here, we need some space. And the rest of them  
1828 shut up.1829 **Callum Tulley:** That clumps of skin on the floor, that was nasty.1830 **Aaron Stokes:** Yeah. It was like that deep, it was on his neck as well. I reckon a couple of  
1831 centimetres, he would've sliced his jugular and that's it.1832 **Callum Tulley:** D'you reckon?1833 **Aaron Stokes:** He'd be dead in minutes, yeah, it was horrible.1834 **Callum Tulley:** That's quite nasty, that.1835 **Aaron Stokes:** I've seen neck wounds as well and they're not nice.1836 **Callum Tulley:** No.1837 **Aaron Stokes:** Never.

1845 **Callum Tulley:** D728 seems to have calmed down a bit.

1846 **Aaron Stokes:** Oh no, he's a bell end. Can't keep up with him. 'I'll hang myself, I'll hang  
1847 myself.' I don't really care. I don't care, just do it. He ain't gonna hang himself with his  
1848 shorts. 'If I don't get out of here, I'll hang myself.' You're not gonna get out of here if you try  
1849 and hang yourself. I was trying to explain that to him, but –

1850 **Callum Tulley:** It's all empty threats, isn't it?

1851 **Aaron Stokes:** No, it's – he's bloody solid, though, isn't he? He don't understand nothing.

1859 **Aaron Stokes:** Only got about four more to come in, apparently.

1860 **Callum Tulley:** Yeah?

1861 **Aaron Stokes:** I don't really have a clue what I'm doing in here. This is the first time I've  
1862 ever been in visitors.

1863 **Callum Tulley:** Cos you don't know what you're doing?

1864 **Aaron Stokes:** No, I was just here to learn. But Slim's buggered off for a break and he's  
1865 buggered off as well.

1866 **Callum Tulley:** It's just you on your own?

1867 **Aaron Stokes:** Well now it is, yeah. Ben's buggered off and Slim's gone, so I'm just waiting  
1868 and I hope nothing goes wrong.

1869 **Callum Tulley:** Exactly.

1870 **Aaron Stokes:** I've only done visitors for two days. This is my second day of visits.

1871 **Callum Tulley:** Well, what are we gonna do if – would you know what to do if there's a drug  
1872 pass now?

1873 **Aaron Stokes:** Go up there get hold of him? [Inaudible]. I've no idea. Cos you can't do  
1874 anything with this [points to computer screens with camera feeds], cos it's – it's direct  
1875 surveillance so you have to get permission for that.

1876 **Callum Tulley:** Really?

1877 **Aaron Stokes:** That's what it said, it said that sort of shit. Watching for more than a couple  
1878 of minutes, if you zoom in and that, it's direct monitoring, so can't do it or something. All  
1879 these stupid bloody laws. But we're still supposed to stop 'em.

1880 **Callum Tulley:** Yeah.

1881 **Aaron Stokes:** I know about half of these women, three of them for B wing.

1882 **Callum Tulley:** I do wonder. I do always wonder if drugs come through visits.

1883 **Aaron Stokes:** Three of them are nicey-nicey. One of them's from C wing, as nice as  
1884 anything. And the one guy at the ends probably maybe a concern, but...

1885 **Callum Tulley:** Yeah.

1886 **Aaron Stokes:** It is what it is, isn't it?

1887 **Callum Tulley:** Yeah. I know what you mean.

1895 **Aaron Stokes:** Can't be there. You're made to look strange trying to look after these nutters  
1896 trying to do themselves here.

1897 **Callum Tulley:** It's just frustrating. It's just frustrating cos he was like –

1898 **Aaron Stokes:** 'I'm gonna kill myself, I'm gonna kill myself.'

1899 **Callum Tulley:** He was clearly not gonna hurt himself and he was literally just saying it to  
1900 get what we wanted but actually it wasn't – it was having the – it was having the opposite  
1901 effect what he wanted. Cos he wanted to get off the wing but – to piss people off – to have  
1902 his voice heard, to make his point about not getting his meds, he wanted to be on constant.  
1903 But he didn't understand – he couldn't seem to understand or maybe he was just refusing to  
1904 understand that if you're on a constant, you can't be allowed off E wing, because obviously  
1905 you're being constantly supervised. So it was like, it was just not working for him, so he was  
1906 just getting worked up, worked up. It's doing my head in, man.

1907 **Aaron Stokes:** He was just standing by that thing saying, 'I'm gonna hang myself if I don't  
1908 get off here.' I just literally went – crossed my arms, you can see it on the camera, just  
1909 literally went in the room: 'do it. Just take yourself. I'll cut you down, fucking crack on with  
1910 it'. So what? I'm bloody bored of these empty threats. Honestly, would I give a shit if you  
1911 hang yourself? I can't physically stop you from hanging yourself. I can cut you down.

1912 **Callum Tulley:** Yeah.

1913 **Aaron Stokes:** I can try and stop you from doing it but I ain't gonna get in trouble for it, so  
1914 you crack on mate, you get done with it. He didn't like it when I said, stop playing your silly  
1915 games and get on with it. He's like, they're not silly, they're genuine personal reasons. Like,  
1916 no, you're playing silly games, mate. Don't start.
