Details of your complaint and what you would like to see done about it:

On 20 June 2017 at 8:20 in the room where the medicines are being dispensed, got attacked by one of the officers. At first he started abusing me verbally in an obscene manner. When I pointed it out, he hit me twice with his fists in my chest. Whilst still abusing me verbally, he threw my ID card under my legs. When later on my wing I asked my manager Hailey *[illegible text]* for the surname of this officer, she did not give it to me.
