History: ACDT review

Examination: Seen on wing with DCM S Webb.

Discussed at length his case and options.

He could not state that he would not try to harm himself but only that he was busy with his case at present.

Plan: Observation levels to remain in place and review booked for 8/11/16

History: issued the following medication as scripts had been stopped by virtue of transfer:

Sensitive/Irrelevant

Diagnosis: GP tasked for transfer

Patient has not previously used drugs (Y09fb)

Alcohol screen - AUDIT PC completed (XaMty) 0 - How often do you have a drink containing alcohol?: Never

How many drinks containing alcohol do you have on a typical day when you are drinking?: N/A

How often during the past year have you found that you were not able to stop drinking once you had started?: N/A

How often during the past year have you failed to do what was normally expected of you because of drinking?: N/A

Has a relative or friend or a doctor or other health worker been concerned about your drinking or suggested you cut down?: N/A

No (Y0428) - declined to sign

Able to manage medication (Xa2yC)

[V]Personal history of mental disorder (ZV11.) - Diagnosed with PTSD and depression

Previous/Cumant medical history (Y3535)

Sensitive/Irrelevant in 2011

Attended A&E one week ago for chest pain - told that it was muscular

Hearing problem (Xa7SQ) - deafness in both ears - can hear alarms but sometimes struggles to hear speech, wears hearing aid in both ears

[V]Victim of torture (XaLQe) - no history of torture

Has no outstanding hospital/ Doctor appointments (Y07f8)

Prisoner has been in prison before (Y0004)

Prisoner assessment for in-possession medication completed (XaPim) (Ongoing Episode)

Mood observations (X76De) - Quiet in-dormitory but appearing calm.

Reason for referral (Xaips) - States he was diagnosed of PTSD and depression in 2012 when he was in the army.

Has subsequently been treated by Dr Moss at Birmingham Hospital. On an open ACDT as he states that he will take his life if he is transferred to prison (should have been taken to HMP Exeter today but states he was was diverted due to an incident at HMP Exeter). Feels that the prison environment would exacerbate his PTSD although states he feels okay at being in an IRC.

Overview Notes (Y0028)

## Gatwick Immigration Removal Centre

Thoughts of deliberate self harm (XaLutx) - Transferred here from Brookhouse but had been due to transfer to HMP Exeter due to some discrepancy with a previous sentence [?]. Diverted due to an incident at Exeter [?]. States that he will end his life if he is returned to prison as he feels that this will exacerbate his PTSD.

Viral hepatitis screening test (XaLHv) - tested August 2016 - all NAD

No (Y0428)

Requires a course of hepatitis B (85W6.)

Fit for normal location, work and any cell occupancy (YX035)

Referral to primary care mental health team (XaLHhM)

Sleep hygiene behaviour education (XaP4v)

New patient screening done (88R2.)

Referral to substance misuse service (XaLHhJ)

Chlamydia test offered (XaLHh)

HIV test offered (XaDvy)

Referred to GP (Y3758)

Health care services information leaflet given (XaLHh)

Impressions of the prisoners behaviour and mental state (YX023) - Quiet in demeanor but engaged appropriately with good eye contact. States he feels okay at being in an IRC but will end his life rather than going back to prison.

Keen to seek help from PMHT.

Referral (Xa4HR)

Further background information (Y2299) - Takes [Sensitive/irrelevant] [Sensitive/irrelevant] [Sensitive/irrelevant]

Transfer moved in (Y3424)

Consent obtained (Y001d)

Open ACCT (YA213)

Self-harm (X766J) - Took an overdose in 2011 and was hospitalised for 3 weeks.

Mental state, behaviour and psychosocial function observations (X0011) - Engaged appropriately with good eye contact. Normal pattern of speech. Noted to be dressed in shorts and sandals (cold weather today). Some aspects of his self reported history appeared a little dubious, for example reported that at HMP Channings Wood he was locked in a basement.

Patient aware of referral (Y1637)

No (Y0428)

Meningitis Vaccination: unknown (Y0931)

Prisoner has not tried to harm themselves (in prison) (Y08f9)

Open ACCT (YA213)

Prisoner has received medication for mental health problems (YX019)

Prisoner has received treatment from a psychiatrist outside prison (YX016)

Prisoner has tried to harm themselves (outside prison) (YX021) - took an overdose in 2011 and spent 3 weeks in hospital

Current medication as reported by patient (XaQnH)

Sensitive/irrelevant

Not known if had MMR vaccination (Y08ec)

Has not stayed in a psychiatric hospital (Y08e2) - States that he was diagnosed with PTSD whilst in the army in 2012. Subsequently referred to psychiatric services by his GP in Taunton and received care from Dr Moss in Birmingham Hospital.

Prisoner has a psychiatric nurse or care worker in the community (YX016)
