Dan Small: Literally, he keep hurting [inaudible].

Dan Lake: On B-Wing that geezer bit his hand. Do you remember they wrapped up in the office? The geezer bit Derek's hand, and then he bent over, and Derek upper-cutted him and cracked him straight in the jaw. And afterwards, Jules come up, he was like, 'What happened to his lip'. His lip was all over the place. Nice. And Derek was like, 'I don't know'.

I saw everything. He was undoubted – Derek just went smack [inaudible]. Oh, dear. Just to make sure. I'll be back.

Dan Small: Have you told Dan [inaudible] or he is still broken?

[END OF TRANSCRIPT].

2081 **Callum Tulley:** There we go. That's it. Just take this off.
2082 **Unknown Speaker 3:** You're not going to be here for long. They just need to keep you here
2083 to monitor you because you're not very well. But I'm sure you'll get better soon. It'll only be
2084 for a short while, mate. I'm sure you'll be back after dinner. They'll need this room soon
2085 again, no doubt.
2086 **[DX2] [Surname Unknown]:** [Inaudible].
2087 **Female Nurse 1:** Pardon?
2088 **Callum Tulley:** Eh?
2089 **[DX2] [Surname Unknown]:** [Inaudible].
2090 **Female Nurse 1:** Nothing to eat.
2091 **Callum Tulley:** Well, dinner time's in – dinner time is in two hours. It's not too long. And he's
2092 pissed. Pardon?
2093 **[DX2] [Surname Unknown]:** [Inaudible].
2094 **Callum Tulley:** I'm – we're not – I can't go running round to the shop for you, mate. You'll
2095 have to wait until dinner time.
2096 **[DX2] [Surname Unknown]:** Why?
2097 **Callum Tulley:** Because if you're on E -Wing all day, then a member of staff will go to the
2098 shop for you because you're going to be back on association probably after dinner at some
2099 point, then – then there is no need for an officer to go to the shop for you. You can go to the
2100 shop later. What is it you want from the shop? Do you want an apple or something like that?
2101 Because we've got –
2102 **[DX2] [Surname Unknown]:** Crisps.
2103 **Female Nurse 1:** Crisps.
2104 **Callum Tulley:** Oh, crisps. Yeah, well, you'll have to wait, I'm afraid. We might have an apple
2105 in the – in the office.
2106 **[DX2] [Surname Unknown]:** [Inaudible].
2107 **Callum Tulley:** [laughing]. Apple? Oh, I thought you were messing around. It won't before –
2108 before you know it you'll be back on association. You'll be able to go and get your crisps. Did
2109 you smoke something, **[DX2]**?
2110 **[DX2] [Surname Unknown]:** I smoke nothing.
2111 **Callum Tulley:** You don't smoke anything. Oh, fair enough.
2112 **Derek Murphy:** Is this one of the spice boys, is it?
2113 **Callum Tulley:** How many – how many today?
2114 **Derek Murphy:** This is the third one today.
2115 **[DX2] [Surname Unknown]:** not spice, not spice, I am not a spice boy. Tell him do not
2116 call me a spice boy, please.
2117 **Female Nurse 1:** Right.
2118 **[DX2] [Surname Unknown]:** [Inaudible]. Pure spice innit?
2119 **Callum Tulley:** huh?
2120 **[DX2] [Surname Unknown]:** I am not spice boy. [Inaudible].
2121 **Callum Tulley:** He's only messing around. I'll tell him, though.
2122 **Female Nurse 1:** Sorry, **[DX2]** We're going to take your blood pressure.
2123 **[DX2] [Surname Unknown]:** I am not a spice boy. [Inaudible].
2124 **Callum Tulley:** Pardon?
2125 **[DX2] [Surname Unknown]:** I have got an illness [inaudible].
