

261 **Gus [Surname Unknown]:** That bad.
262 **Callum Tulley:** Thank you, mate. Of course not.
263 **Female Nurse 1:** Checking dynamics.
264 **Man Unknown Staff 1:** it takes sometime
265 **Female Unknown Speaker 1:** Is it still low?
266 **Female Nurse 3:** He is nearly done, yeah.
267 **Female Nurse 1:** Yeh
268 **Female Nurse 3:** What's the temperature?
269 **Female Nurse 2:** 35.9
270 **Female Nurse Unknown:** 35.9. Fine. Is it just not enough.
271 **Female Nurse 1:** No.
272 **Female Nurse 3:** Shall we do a manual? I can start now.
273 **Female Nurse 1:** Yeah, I just think there's a – I can do that.
274 **Female Nurse Unknown:** I will do it.
275 **Female Nurse Unknown:** [Inaudible] I was just thinking I can do that.
276 **Gus [Surname Unknown]:** Is that the machine, or is it the spice that's doing it. Is it the
277 machine or is it the spice.
278 **Female Nurse Unknown:** Is there a stethoscope?
279 **Callum Tulley:** The spice is – the machines are doing what?
280 **Female Nurse Unknown:** [Inaudible].
281 **Gus [Surname Unknown]:** [Inaudible].
282 **Callum Tulley:** Oh, right.
283 **Female Nurse 3:** We don't know his name yet?
284 **Female Nurse 2:** Yeah, that's it.
285 **Female Nurse 3:** Oh. Oh, lovely.
286 **Female Nurse 3:** D232
287 **Female Nurse 2:** D232
288 **Female Nurse 3:** [Inaudible] D232
289 **Female Nurse Unknown:** Yeah, yeah.
290 **Female Nurse 3:** Was there any much use during the night?
291 **Female Nurse 2:** There wasn't much use during the night, was there?
292 **Gus [Surname Unknown]:** Not as far as I know. We came to the room about 8 o'clock. We
293 found some.
294 **Female Nurse Unknown:** Okay.
295 **Gus [Surname Unknown]:** But he'd been monged out pretty much all day.
296 **Female Nurse 3:** All day. I saw him loads of times yesterday like this.
297 **Female Nurse Unknown:** Now it's not [inaudible].
298 **Female Nurse Unknown:** It's registering but –
299 **Female Nurse 3:** Yeah, it is registering.
300 **Gus [Surname Unknown]:** It's more than [inaudible]. One of the first ones out. He pushed
301 the buzzer and asked to be let out.
302 **Female Nurse 3:** You need to write it down.
303 **Female Nurse 1:** Yeah. Let's – can you – I've run out of space.
304 **Gus [Surname Unknown]:** I can't remember. What was the name? Sarah said [inaudible].
305 **Female Nurse Unknown:** [Inaudible].
