1085 [D687]: I've been moved away from my community [Inaudible]

1086 **Officer 5:** but the reason their review said 'closed' was for good reasons. Because otherwise
1087 if they was going to keep you here that means they'd want to deport you somewhere and
1088 there's nothing like that going on that's why they're going to move you somewhere else more
