Hi Rob,

Based on the disciplinary reports supplied by G4S for each of the staff, my recommendations are set out below:

Steve Webb – revoke based on the level of unprofessionalism displayed and threats made to a detainee - a substantiated allegation.

Sean Sayers – revoke based on the substantiated allegation of unapproved force used on a detainee; failure to follow reporting guidelines; and statement from the G4S disciplinary report that the account given by the officer during the hearing is inconsistent, unreliable and that he has lied.

Derek Murphy – revoke based on allegation 2 which is substantiated the transcript of findings and response from that particular allegation

David Webb – reinstate based on the further, enhanced training received and subsequent passing of the C&R Instructors course.

Regards

Paul Gasson
