\*\*\*\*\*DETENTION MINUTE\*\*\*\*\*

I served detainee with IS151F this afternoon. He signed the Confirmation of Conveyance which I've sent to caseworker by fax. Detainee confirmed he will send a copy to his solicitor.

During the interview, detainee complained about his length of time here, he has been in detention since 2015. He complains that he is not held here lawfully. He complained that his mental state has deteriorated and that he is going to take his own life if released, he told me he is already on ACDT. I informed G4S staff and updated the ACDT form accordingly with what detainee said during the interview.
