 321 **Dan Lake:** He's going 'you fucking want some?'

322 **Callum Tulley:** What was he saying?

323 **Dan Lake:** Geezer come in from C Wing, he is pulling a curtain [Inaudible] and Darren just
 324 had a go at him like you wouldn't believe.

325 **Dan Small:** You could either tell him 'okay I will get you a curtain from the spare room that
 326 we have' or 'no we don't have any, I'm afraid'. But Darren – he's losing the plot man.

327 **Callum Tulley:** Who is this [D381]?

328 **Dan Small:** Jamaican. Skinny, small one.

329 **Callum Tulley:** What did he say? What did he say to you?

330 **Dan Small:** I can't remember what it was.

331 **Dan Lake:** He went nuts. He went 'you ain't fucking having one, they are for this week' -

332 **Dan Small:** [D381] even came up to me and asked 'is he on something? Because all I asked
 333 for was a curtain.'

334 **Dan Lake:** It was so extreme.

335 **Callum Tulley:** Was it? I was in there, I was in the office this morning, and this detainee was
 336 basically kicking up the [inaudible] because he wasn't being given boxers, and then he
 337 wanted socks and we weren't giving him socks either. And then him and Darren squared up to
 338 each other. And Darren was like, 'Oh yeah you think I'm scared of you? You think I'm scared
 339 of you, do you?' [Laughter]. I'm thinking Darren, mate, what are you doing?

340 **Dan Small:** We were doing a [inaudible] list, and Darren was looking at one fella and the
 341 fella was looking at Darren and he said, 'Do you want to kiss me or something?' Out of
 342 nowhere, 'Do you want to fucking kiss me?' Literally. I said, 'What the fuck is going on?'

343 **Dan Lake:** [Inaudible] He is the sort of guy, I might have said to you, he will go home and
 344 when the TV remote runs out of battery he will argue with that and all [laughter]. He's a
 345 fucking nutter, bro, he's completely lost the plot. **Sensitive/Irrelevant**

346 **Callum Tulley:** He was going to the detainee, he goes 'the day I'm scared of you, mate, is
 347 the day I got to pack it in, I tell you'. [Laughter]

348 **Dan Lake:** **Sensitive/Irrelevant**

349 **Sensitive/Irrelevant**

350 **Dan Small:** Do you reckon he is in his mirror, every day, just fucking talking to himself.

351 **Dan Lake:** Yes, he's fucked.

352 **Callum Tulley:** But sometimes, he's like in an amazing mood, and it's just like, you can't -

353 **Dan Lake:** He is a raving nutter, is what he is.

354 **Dan Small:** Bipolar boy.

355 **Dan Lake:** Yeah but you can't [inaudible]. I had one on A wing that time and it was decent, I
 356 had a good time on A wing. I was going to move there.

357 **Callum Tulley:** If you were moved to B wing, you'll be working with Darren every day.

358 **Dan Small:** I know. You'll get stabbed at some point.

359 **Callum Tulley:** I don't know how he's not got in a scrap before, personally, but I suppose
 360 you wouldn't really want to pick a fight with him, would you?

361 **Dan Small:** What he does is he will argue with them and then bin them off.

362 **Dan Lake:** Yeah, definitely, he winds them up and then sends them out.

363 **Callum Tulley:** Oh, yeah, true, actually, you just made me realise that. Like the detainee
 364 earlier, he was just like yeah, go on, and fuck off, fuck off.

365 **Dan Lake:** [Inaudible]. We were [inaudible] about [D381] He wound him right up and sent off
366 the wing, and [D381] went off the wing and that was it. And Darren went back to his job like,
367 like that 'naughty, back to work'. [Laughter]. Fucking nutter. This line. On Activities this line
368 is like fucking gold dust in this place. Seriously is.
369 **Callum Tulley:** Just like that. Don't know how lucky we are.
370 **Dan Small:** [Inaudible].
