

THE BROOK HOUSE INQUIRY

THIRD WITNESS STATEMENT OF THERESA SCHLEICHER

I, Theresa Schleicher, of Medical Justice, 86 Durham Road, London N7 7DT, will say as follows:

1. I am the Casework Manager for Medical Justice. This is my third witness statement. The purpose of this statement is to correct an error in my first statement.
2. In that statement at paragraph 91 I suggested that the current healthcare provider at Brook House is the Practice PLC, which provided healthcare at the Heathrow IRCs during 2011/2012 at a time when failings in healthcare were criticised by the courts in the cases of *BA* and *S*. This is not correct, and I apologise for this error. Healthcare at Brook House is now being provided by Practice Plus Group, who are a different company from The Practice Plc.
3. Since realising this mistake, I have reviewed my previous statements to the Inquiry and am confident that the information contained in them, save for this mistake, is correct. I apologise again for this error.

Statement of Truth

I believe that the facts stated in this statement are true. I understand that proceedings for contempt of court may be brought against anyone who makes, or causes to be made, a false statement in a document verified by a statement of truth without an honest belief in its truth.

I am content for this witness statement to form part of the evidence before the Brook House Inquiry and to be published on the Inquiry's website.
