## Removal from Association Initial Health Assessment

### Detainee Details

Name	<b>D2953</b>	Cid Reference	12354885
Time of assessment	19.40	Date of Birth	<b>DPA</b>

### Initial screening

To be completed within two hours of a detainee being removed from association (DC rules 40 & 42). If no Registered nurse or Duty doctor available to complete within two hours of a detainee being removed from association, then the detainee is to be observed by wing staff four times per hour or inline with ACDT observations if greater. Clinical records and ACDT plans should also be considered.

Is the Detainee currently being assessed or sectioned under section 48 of the Mental Health ACT?

Yes/ No

Is the detainee currently on an Open ACDT plan, are there any recent acts of self harm OR is the detainee currently taking any anti-psychotic medication?

Yes/ No

Does the detainee show signs of being acutely unwell (e.g. Psychotic/ withdrawal from drugs/ significant injury) at the present time?

Yes/ No

Do you think the detainee will be able to cope with a period of removal from association?

Yes/ No

Do you think the detainee's mental health will deteriorate from being removed from association?

Yes/ No

### Health Assessment

Following the above screening are there any clinical reasons to advise against removal from separation at this time?			
YES	<u>NO</u>	Delete as appropriate

Details of Individual					
Full Name: <b>D2953</b>					
D.O.B	<b>DPA</b>	Nationality	<b>BULGARIA</b>	Sex	<b>M</b>

This form should be completed as soon as either a) further information becomes available or b) the detainee's behaviour and/or statements indicate a possible alteration to this detainee's risk factor.

Mr **D2953** has been placed onto rule 40 for damaging centre property whilst in his room. Mr **D2953** was threatening towards officers and when trying to converse Mr **D2953** began spitting through the door and at the observation panel. Was escorted down to the care and separation unit. Whilst on route Mr **D2953** attempted to pick up pool balls but was quickly intercepted. Level A search was carried out and Mr **D2953** was relocated into room 2 in the Care and Separation unit.

Will this individual comply with removals directions?  
If no please provide additional information.

In the light of this:

- It is considered that the risk factors associated with this detainee may have increased in which case a new IS.91 should be issued.
- You may also wish to consider whether a change of detention location is appropriate.

Signed: **Signature** Print name: **N.LONDON** Date: **09/06/2017**

**For Completion by DEPMU/MODCU**

- This detainee's location does/does not need to be changed.

The reasons for any change, for example from one removal centre to another or to prison or vice versa, **MUST** be recorded in the comments section above and be accompanied by the issue of a revised IS91

Detaining Office to issue new IS91: **Yes/No**

Signed: Print name: Date:

**Signature to be at EO level.**

**Distribution:** By DEPMU following consideration of changes in risk factors.

- DEPMU
- Detention Location (HO and Contractors/Prison Service)
