I

(i.e. where the detainee(s) were relocated to and any injuries sustained).

I detainee custody officer (DCO) Edmund Fiddy work at Brook House IRC and have done since the 27th April 2015. I currently work on Dove Wing. During my course to work for G4S I attended and passed the C&R course which lasts for one week.

Saturday 3/06/17 I rostered in the IT suite in Brook House IRC where my duties are to monitor the computers and help people connecting to emails and documents relevant to their case. I approximately 10:00 I was given a break by DCO Luke Instone-Brewer to be able to stretch my legs and make a drink. I made my way to the activities office which is just along the corridor where I then was asked by a detainee to check the fan in the gym which I did. This perhaps took about 10-15 minutes in total to do these jobs. I then made my way back to the IT suite where I saw DCO luke Instone-Brewer standing behind the desk and was getting shouted at by a detainee who was verbally abusing him calling him 'A racist Motherfucker' I made my way over to the desk to put my coffee down and the verbal abuse got worse saying he was going to 'come over there and fuck him up' and to 'fucking deck him' or words to that effect. I stayed to the side of the desk as the tension was getting worse and I was worried for my colleague in case thing escalated to a physical level which is highly likely in the custodial environment.

He then stood up and started marching towards Luke Instone Brewer in an extremely aggressive manner whilst continuing the verbal abuse of my colleague. He then got right into my personal space this is when I told him to step away from my and back off. I again told him to do so and he continued to square up to me. I was afraid of getting assaulted at this point trying to protect my colleague. I took a defensive stance and made a defensive push which I had been taught on the C&R course. I again told him to stay back and not come towards myself and Luke. He then turned his verbal abuse to me saying he was going to 'smash me in' and a barrage of further comments which I cant remember specifically at this time of writing my report – 20 minutes after the incident as my adrenaline is still high. He then came around to the left of me to perhaps try to attack us both. I once again stood in front of my colleague this is when I pushed the detainee backwards as

he was once again in my personal space with his head tilted towards mine. When pushed him out of my personal space he simultaneously grabbed the back of the neck and pulled me closer and this is when I pushed him harder for him to stop assaulting me. I then called for a manager via the landline phone on the desk in the IT suite.

When the manager arrived DCO Luke Instone-Brewer and the Manager himself stepped out of the IT suite to explain what happened. Whilst they were out there I was getting various threats to my life from the detainee. He was also making derogatory comments about my Mother. He was sitting at this point but after the threats he again squared up to me twice. Throughout this ordeal I was afraid of getting assaulted even further. There were several detainee witnesses to this incident who were present before I had returned to the IT suite. This concludes my report.
