MB – Thanks for meeting with me today. I have been commissioned to carry out an investigation. I have been looking at footage and reports and you have been identified as a witness.

JE: Ok

MB: Just to confirm Dan is here to support you, so if you want to a break – then just ask and we can adjourn.

JE: Ok

MB: I want to talk to you about an alleged incident that occurred last week which resulted in a complaint being submitted from a detainee [D119]. Are you aware of any such incident?

JE: I think I do but I didn't really see that much.

MB: Can you explain to me in your own words what you heard / saw?

JE: I was on the 2nd floor mainly. I was aware that a couple of detainees were not going in their rooms. I could hear raised voices below.

MB: Could you hear what was being said?

JE: Babs was telling the detainee to "get in the room" but [D119] was refusing.

MB: Did [D119] say anything?

JE: I think [D119] said "fucking coconut"?

MB: Did you hear any other swearing?

JE: No, like I said, I was mainly on the 2nd floor and when I was present Babs was ushering [D119] into his room. There were certainly raised voices but I didn't perceive it as any danger.

MB: Did you see any gestures?

JE: Not really, I guess they were in each other's faces a bit and verbally aggressive with each other due to the tone but no direct actions or gestures.

MB: Ok – thanks Jon.

JE: Please do not discuss this with anyone else, in the event that you do, it could compromise the investigation and may result in a disciplinary in itself.

JE: Sure.

MB: You will receive a copy of the minutes, any amendments that you wish to make and be added to the margin and reverse. Please check and sign them and return back to me.

JE: Ok

MB: Thanks Jon
