MB – Thanks for meeting with me today. The reason I want to meet with you is to interview you following the complaint you submitted

[D720] OK – no problem.

MB: Thank you [D720] do you require a translator?

[D720] No, I am fine thank you.

MB: Ok – so like I said, I want to talk to you about your complaint. Please can you explain a bit more?

[D720] Yes, it was on Friday. [D119] was bullied – it isn't the first time. There is one certain officer that gives him a hard time – he called him a dickhead on Friday.

MB: What officer?

[D720] Officer Babs

MB: So what did you see / hear?

[D720] My room is right near the pool table, [D119] was sitting on it - then there were lots of staff around – most were not paying attention but one was being unprofessional.

MB: In what way?

[D720] He was calling him a “nerd” and winding him up about going home. He should know better as we cant go home – I actually saw Babs waving at [D119] saying “bye bye little girl” – he done it a few times – he was trying to wind him up. Babs was saying things like “im going home to my family” He shouldnt behave that way. Detainees know what he is like – he was calling [D119] names.

MB: Did you hear [D119] say anything to DCO Babs.

[D720] He was just mocking him – even still, Officers shouldn't be like that.

MB: Anything you wish to add?

[D720] No thank you.

MB: So the next part of your complaint referenced an issue the following morning.

[D720] Yes – I didn't real see anything as my room is on the 1<sup>st</sup> floor and I could hear the officer and [D119] shouting at each other. I mean its wrong that that happened. I tried to talk to her after but she said it had nothing to do with me.

MB: What did you hear?

**D720** Just shouting – I think she was trying to antagonise him and start the argument up again.

MB: Why do you say that?

**D720** Its not the first time.

MB: Have you reported it before?

**D720** Whats the point? Staff all link up and cover each other.

MB: **D720**, I want to reassure you that any compliant is fully investigated.

**D720** Ok
