MB – Thanks again for meeting with me today. The purpose of this meeting is regarding a complaint which I am investigating. Following initial investigations, it appears that you may have witnessed the incident that I am investigating. Are you ok to continue?

JR – Yes.

MB – It is important that I get accounts from individuals identified on CCTV or reference.

JR: OK

MB - Please do not discuss this with anyone else, in the event that you do, it may compromise the investigation and could result in a disciplinary in its own right

JR - Sure.

MB - Do you have any idea why I want to talk to you?

JR – No, not really.

MB – There have been 2 complaints about lock up time on Friday 21<sup>st</sup> April, with F D119  
Do you know him?

JR – Yes, he is on D Wing.

MB – Yes, do you have any idea why?

JR – I only remember him arguing with Babs.

MB – That is what the complaint is about. Looking at footage, which I will show you, you are in the vicinity. Please can you talk me through what you heard or saw,.

JR – I was with Babs and someone-else, the radio said to help out on D Wing. I was in visits and went to help out. There was D119 and D317 Sensitive/Irrelevant there who were refusing to lock up, I can't remember why.

MB - Did they say that to you or did someone-else?

JR – Not said to me, but to the person with me. They refused to lock up. Babs raised his voice, saying “get in your room so we can go, stop wasting time”, or something along those lines. Then D119 sat on the pool table and said he would not “just because you have told me too”. They were arguing, but I can't remember what was said. They were arguing with each other, I can't remember what was said. D119 said “you think you're quite important like” and Babs said “if you don't go in your room, you are going to the block”. Then D119 said “I dare

you to take me down to the block by yourself, I dare you". Babs kept repeating himself-go into your room or down to the block. They were shouting at each other

MB – Did they have raised voices?

JR – Yes. [D317] was dancing and faffing around in the background, backing [D119] up, telling him to carry on what he was doing. He was taken away. In case he attacked Babs

MB – Did you think he would attack Babs?

JR – No. But I have a good rapport with him.

MB – Why do you have a good rapport with [D119]

JR – I work on D wing a lot so I deal with him, I play football with him in the courtyard, I see him a lot.

MB – Did you hear [D119] swear?

JR – Yes.

MB – Did Babs swear at [D119]?

JR – Yes, like "get in your fucking room".

MB – Were there any gestures towards [D119] from Babs?

JR – [D119] when he was saying about "I dare you to take me to the block" had gestures.

MB – Were there any gestures from Babs?

JR – No, he had his arms crossed.

MB – Was there any name calling from Babs?

JR – No.

MB – So you didn't hear words used like "dickhead" from Babs?

JR – No I didn't hear that.

MB – He accused Babs of saying "Bye,Bye" and waving his hand at [D119] Did you hear or see that?

JR – I didn't see or hear that.

MB – \* Showed Footage\*

JR – I was faced the other way.

MB – It looks like people are laughing, do you know why?

JR – He had a raised voice but I am not sure what D119 was saying.... This is where D119 was daring him to take him to the block.

MB – What did Babs say?

JR – I don't know. He walked over and put his coat back on.

MB – It was reported that Babs has said they want to go home, did he say I want to go home to see my family?

JR – Yes but D119 said he listens to Victoria, he said "I will go into my room but not for Babs".

MB – Why do you think he would not listen to Babs?

JR – Probably because they were having a confrontation.

MB – See that point there.....what is Babs doing?

JR: His hand is up.

MB: Waving?

JR: I guess so.

MB Did you hear anything?

JR – No.

MB – Sarah is laughing, do you recall?

JR – No, if it was yesterday I would have been able to tell you every single detail.

MB - Can you remember D119 calling Babs any names?

JR - No, they were shouting at each other.

MB - Anything about his son?

JR – No

MB – In your opinion, how do you think it was handled?

JR – I think Babs was a bit too full on. Babs, he works in visits, but if it had been me or Arron or someone-else then it would have been ok. Babs was having none of it and it got heated from there. I think a different approach would have helped.

MB – Is there anything-else you want to add on that?

JR – No.

MB – You say you heard swearing, like “get in your fucking room”, but no name calling?

JR – No, no name calling.

MB – Thank you. It is a difficult one. If an allegation goes in, then we have to investigate it and establish the facts. You will get a copy of these notes from Karen and you can add to it with any amendments

JR: Ok – thank you

MB: Thank you Jordan.
