The Security Intelligence System aims to:

- Present an analysis of evaluated information.
- Support informed decision-making in prevention and management of incidents.
- Develop strategies to counteract threats to national interests and to the security of the establishment(s).
- Assist in maintaining good order or discipline across your centre & estate.
- Assist in the prevention and detection of crime.
- Any person may submit an SIR. All information may prove useful.
- All information given will be evaluated to provide security intelligence.
- · All information contained within this SIR will be managed in accordance with the Human Rights Act & Data Protection Act. Your information will be disseminated in a controlled way ensuring only relevant parties are privy to the information you generated. Any disclosure to partner agencies will be in a sanitised format.
- The information contained within this report may be disclosed for the prevention and detection of crime, good order and discipline and professional standards issues.
- The individual initiating this report must only complete Part A of this document, along with Section A of the Audit trail, ensuring it is signed and dated prior to being forwarded to the Security Department
