Hi Subject to RO

I hope you are well.

Many thanks for your email updating me and apologies for the delay in replying, I was out of the office last week on inspection and we have just migrated all our IT systems over the last few days.

Best wishes,

Jade

Subject: BBC investigation - Brook House

Dear Alan

I have been asked to contact you in regards to a conversation I had recently about a member of ex-prison staff who featured in the BBC investigation into the behaviour of staff at Brook House. The member of staff went by the name of Jan Pascali (I think that was his surname). I commented on the fact that while I was at Wandsworth, he was under investigation for violence towards Prisoners. It was a while ago, and I cannot remember whether he left under investigation, or whether he resigned because he was offered a job elsewhere. However, I do remember that he was

certainly being looked at for his inappropriate behaviour. The Deputy Governor at the time was Louise Ysart. **Subject to RO**
Subject to RO and would have been the commissioning authority on any investigation.
Louise is now the Deputy Governor at HMP Brixton.

Thanks
