Incident Statement By (print name): .....S Dix

Please describe the Incident details in full, confirming details of place of incident, time, date, names of all persons involved, witnesses, injuries sustained, first aid or healthcare provided, and details of which managers were informed of incident.

I Detention Custody Manager S Dix was working at Brook House IRC on Tuesday 28<sup>th</sup> March 2017 when [D1234] was due to leave on Escorted Removal Directions Op Majestic. Despite negotiations he refused to leave his room compliantly and proceeded to strip off naked. Duty Director M Brown was notified and it was decided a planned use of force would be required.

I assembled a team of officers to carry out this intervention and briefed them accordingly to the situation presented to us and the plan of what would happen.

We made our way to Eden Wing 007 where [D1234] resided as he was on an ACDT Constant Supervision, he presented himself chanting loudly and was not engaging with me therefore the team had to go in and restrain [D1234] accordingly he actively resisted throughout chanting and refusing to listen to officers and was very refractory with the team of officers. Handcuffs were needed and were applied by myself S Dix.

I DCM S Dix applied handcuffs to [D1234] whilst he was in a sitting position I firstly secured his left wrist into the handcuffs followed by his right wrist and these were secured by myself.

Due to [D1234] refractory behaviour and active resistance he was taken out of Eden Wing 007 and carried down to detainee discharge in handcuffs he was given an opportunity to walk however refused to comply. [D1234] presented himself naked in the room and refused to engage when asked if he would get dressed therefore to try and maintain his dignity and modesty as best as we could we wrapped a sheet around his body.

When in detainee discharge he was handed over to Tascor OSE and they took control of the situation

This concludes my report

Incident Statement By (print name): Graham Purnell

Please describe the Incident details in full, confirming details of place of incident, time, date, names of all persons involved, witnesses, injuries sustained, first aid or healthcare provided, and details of which managers were informed of incident.

I Detainee Custody Manager Graham Purnell was on duty on the 28/03/2017 at approx. 20.15pm at Brook House IRC near Gatwick Airport. Detainee [D1234] Cid:9799414 was due to leave on the on the Majestic charter and was on a constant supervision, a briefing was held as he stated he was not going to leave the centre. DCM S Dix on several occasions attempted to speak with [D1234] and ask him if he would walk to reception compliantly but he refused. Due to his statements is was then decided that force should be used as a last course of action. A briefing was held and 4 members of staff was briefed to wear PPE ( Personal Protective Equipment) Once the briefing was held staff then walked to E wing room 7 and DCM S Dix asked detainee [D1234] if he would walk compliantly to reception but he refused and the option left was for the 4 officers in PPE to enter the room and take [D1234] by force. [D1234] was naked and refused to wear clothes so a blanket was put around [D1234] to protect his dignity. Once the staff gained control of [D1234] he refused to walk and staff and was very violent towards the officers present and started to spit, [D1234] then refused to walk, handcuffs were then applied and he was then given the option again to walk but he refused so DCM S Dix then instructed the officers present to pick up [D1234] and carry him under force to reception discharge. Once [D1234] was in reception he was again violent and started to fight the Tascor staff and started to spit. He was then placed in to Tascors care and this ended my involvement.
