Continuation of a report about The Head Security of
G4S Brook House (IRC) / Detention Centre.
MICHAEL BROWN:

Michael Brown Claims to be on top of the Security
of G4S Brook house. IRC / Detention Centre, for
the maintenance of good order, Safety and Security of the
Centre. Yet Brook house is Drug Infested i.e. Spice.
Which is a major Contributing factor of Violence and
Bad behaviour of the Detainees in this Centre.
She is more focused on Boosting about her position
in the Company, being picky on people she may
not like, using every ~~avenue~~ of her power and
Authority to impose punishment to her victims. i.e.

Michael Brown. Subsequently abused her Authority over
me in the past since I have been in this Detention
Centre and has Continued to do so, even after
I have questioned her Authority to do so. She
viewed me on the 02/07/2017. After I have
been placed on (CSU) Closed Security unit.
for more than 4 days; She has Continued to lay
accusation against me, which are unfounded. I have
asked to explain and pinpoint on what she
kept saying about Threats from me to members
of Staff of G4S, and she has been unable
to Clarify her Self. which I find very disturbing

On that Review I asked if she ever mentioned that she was concerned because like she said "that I am very big and look intimidating" which she denied.

Then I asked her if she had met me before and she answered yes. When I further said if she can explain how we meet.

"She said that she met ^{me} once when I was collecting names of Detainees who had British born children. and she advised me not to be doing that because it might be deemed as insensitive. When I said could that be the reason why you are picking on me and she replied "No", that there are so many reasons, but refuse to tell me specifics.

I asked her about her sense of judgement. When she gets information, why does she deal with it in a biased way, she denied that she is not biased, she became angry and stormed off the unit where she had authorised for me to be placed again for another 24 hours. without genuine concerns about security, because she has previously set out to deal with me, with her little power that she poses in G4S Brook house (IRC). I have made my solicitors aware of all of this that is happening with me.

To whom it may concern, Her position is now untenable, it is clear that she is a liar
P.T.O

and also genuinely poses risk to the
Security of this Centre. G4 S. Brookhouse
IRC / Detention Centre. If actions are not taken now.
You leave to Regret having her as head of Security.

Yours Sincerely
