Please describe the Incident details in full, confirming details of place of incident, time, date, names of all persons involved, witnesses, injuries sustained, first aid or healthcare provided, and details of which managers were informed of incident.

On the 6th June, 2017 at approximately 15.19pm I Responded to a first response called in the arts and crafts room .on entering the room I immediately saw detainee [D1538] stood near the door way with cuts to his left side of neck and in an aggressive stance with his right fist clenched holding a sharpened pencil. I immediately held [D1538]'s right wrist and removed the pencil from his hand. At this point I then tried to verbally deescalate [D1538] but this was not working as he was extremely angry and frustrated trying to get to the detainee he had a fight with. I took hold of [D1538]'s left arm and proceeded into a guided lock. DCO Ryan Bromley had seen my actions and took control of the right arm also in a guiding lock. DCM Shane Farrell then took control of [D1538]'s head as he came close to hitting his head on the metal cupboards behind him. Meanwhile as I was dealing with [D1538] the detainee who attacked [D1538] was [D197]. It transpired when looking back at the video footage that an argument had began between [D1538] and [D197] and this resulted in [D197] leaving the arts and crafts room . [D197] had returned to his room and had returned to the arts and crafts room with a rucksack bag and had a weapon inside. [D197] had drawn the weapon out of the bag and had tried to attack [D1538]. This was the point when I arrived at the door of the arts and crafts room. [D197] was removed by other officers and escorted to the Care and Separation Unit and placed on rule 40. When the area was locked down and he was isolated, [D1538] was immediately assessed by a nurse from healthcare, who examines his injuries from the altercation. After the nurse had finished [D1538] was then escorted to Eden wing to calm down. This concludes my report.

Incident Statement By (print name): Shane Farrell

I am Detainee Custody Manager (DCM) Shane Farrell. I am currently employed by G4S care and justice services at Gatwick Immigration removal Centre, A position that I have had for 6 years and 4 months. On the 06/06/2017 at approximately 15:20 I was part of a use of force with detainee: D1538 CID (10596334).

When responding to a first response in the art room at Brook House I found that two detainees had had an altercation and the most irate detainee was D1538. I came across D1538 who was being restrained by Detainee Custody Officer (DCO) Ryan Bromley and DCM Nick London this was to stop him from going after a detainee that had apparently punched him. As he was being restrained I could see that he was thrashing his head all over the place so I decided to take control of D1538 head as he was close to a cabinet I decided to apply head support so that he didn't hit his head on the cabinet and to protect the officers. D1538 was not happy with this and told me to Fuck off and not hold his head, I tried to explain to him that I was doing this for his own safety as he was thrashing his head all over the place and he could risk harm to himself and the officers that were restraining him. He didn't seem to relax and the officers told me that they could feel him resisting there holds, I again asked him to calm himself at this point the other detainee had been escorted out of the area and D1538 who was still very upset with what had happened to him stopped resisting the two officers I told D1538 that I was going to let him raise his head but if he became aggressive that I would again take control of his head I asked him if he understood me he replied that he did. As I released his head the nurse came over to check on him as he had cuts on his neck and his eye was red from where he had been hit by the other detainee he was informed that he would be moved to E Wing to calm himself down and once the CCTV was checked if it was the case he was the victim then he would be let back on to association. He appeared to understand this and followed us down to E Wing this concludes my part in the use of force of D1538 and this concludes my report at this time.

ant room around 3pm?

D197 got agitated when D4286 sat in 'his' chair. This was out of character and D197 seemed out of sorts to be honest. D4286 said sorry and returned the chair but D1538 stuck up for him and said "you can't speak to him like that it's everyone's chair." D197 got more aggressive and I stepped in to say that the issue has been resolved + the chairs were for everyone and it is a small room so we have to share as much as possible. D197 walked out of the ant room. I explained to D4286 and D1538 that it was a misunderstanding and D197 wasn't himself today, so let's leave it/forget it happened when he returns - they were fine. Suddenly about 2 minutes later D197 stormed in around the tables + punched D1538, there was punches thrown between them with D1538 defending himself. I remember other people getting involved but not sure if they were joining in or trying to part the two fighting. The only person I remember was D71 who tried very hard to keep the two guys apart thankfully, as I felt a lot more damage would have occurred if he had not been there. I think the Indian man in the corner got hit accidentally but I'm afraid I don't know his name. He was immediately below the camera. From my point of view it was a bit like D197 was overcome with red mist and behaved very out of character unfortunately. ~~80~~
