

Job Description

Job Title: Paramedic
Accountable to: Clinical Lead
Location: Gatwick IRC

Practice Plus Group's mission is **Access to Excellence**. Our core values are;

- we treat patients and each other as we would like to be treated
- we act with integrity
- we embrace diversity
- we strive to do things better together

Patients can only access excellence if we commit to living our values in everything we do when we're at work.

We believe in putting the patient first, regardless of the environment or their history. The prison population is one of the most vulnerable and challenged patient groups in society and the delivery of their health care is conducted within often difficult and demanding environments.

The role

As a paramedic you will;

Provide outstanding evidence based care to our patients seeking out, listening to and acting on their feedback so that care is personalised and informed by what matters to them - focussing on emergency and unplanned care to patients with both primary care and acute care needs.

Deliver non-judgemental care, building therapeutic relationships and promoting professional boundaries. Playing an active part in the assessment, planning, implementation and evaluation of the patient's care following our policies, procedures and always considering safeguarding.

Inspire excellence by forging strong links within our teams, our partners and stakeholders and providing a service that people can trust, feel safe within and feel proud of.

Promote best practice, clinical supervision, evidence based care and continuous quality improvement embedding a culture of reflection and shared learning.

Share knowledge, skills and expertise to ensure safe care, build strong multi-disciplinary teams of clinical and non-clinical colleagues and support each other to do a great job.

About you

- Qualified Paramedic
- Current professional registration (HCPC)
- Evidence of continued professional development
- A non-judgmental and compassionate approach
- Proven experience in either: Accident & Emergency, Primary Care environments or Minor injuries / illness
- Excellent communication skills
- Patient centred values and non-judgmental approach
- Good IT skills and IT literacy
- Ability to work within a busy environment
- Ability to work unsupervised
