Practice Plus Group Multi-Professional Complex Case Clinic Template

<u>CRITERIA:</u>

This template is to be completed on **all** occasions of Multi-Professional Complex Case Clinics (MPCCC). It should be filled out by a clinician in attendance of the clinic (after the fact), instead of adding the detail as a new journal entry (the template will populate the new journal with the appropriate Read Codes).

<u>AIM:</u>

To ensure accurate and consistent recording of all MPCCC discussions and to record treatment outcomes, care planning and any associated referrals.

<u>INSTRUCTIONS FOR COMPLETING THE TEMPLATE</u>

This Template has Read Codes attached to certain questions, please **only tick** a box if the answer is a **confirmed** response. Where possible, there is a notes box to allow you to record any necessary additional information.
