2 **Callum Tulley:** The reason they – who were clearly off their nut. How do you think it gets in?
3 The spice.

4 **Ed Fiddy:** I don't know, to be honest. I'd say visits. We know there's not much coming
5 through, like before, alright. One of them planned with someone. But now, I don't think it's
6 a lot. It's not enough I mean.

7 **Callum Tulley:** There has been – there has been a drop – there has been quite a significant
8 drop since Leah was suspended. Not that she's guilty of anything, obviously.

9 **Ed Fiddy:** No. I mean it could be a coincidence.

10 **Callum Tulley:** Yeah. Just scared the f of the other staff

11 **Ed Fiddy:** Yeah, it could be. Majorly. I don't know. I don't know I've never really looked at
12 staff in that way before, or any bringing in all that shit. Although – I mean it's easy to do it. I
13 mean it's – especially if you work on the wing.

14 **Callum Tulley:** Yeah, but well you don't get -

15 **Ed Fiddy:** Did you [00:01:11.20] drop off the fucking – drop off the shit. Like [Inaudible]. But
16 you know, once you have done it once.

17 **Callum Tulley:** They've got you.

18 **Ed Fiddy:** Yeah. Yeah. I mean if you're in a financial hardship, which a lot of people are.

19 **Callum Tulley:** In this job, yeah.

20 **Ed Fiddy:** And you get offered, you know, a lot of money, I can see that [Inaudible].
21 Obviously it's wrong and I wouldn't do it.

22 **Callum Tulley:** Yeah. No, no, no. I know. I know exactly what you're saying.

23 **Ed Fiddy:** But, you know, someone is like oh yeah I'll give you an extra five grand a month,
24 or some shit.

25 **Callum Tulley:** I know.

26 **Ed Fiddy:** I don't know what [Inaudible].

27 **Callum Tulley:** All cash at hand, untaxed.

28 **Ed Fiddy:** Yeah. Is that all? Wow. All that cash. Just for me to bring my bag in every day. I
29 don't know, like a lot of [inaudible] like Keith and Yan [inaudible]] used to get offered a
30 shitload of money, that's why.

31 **Callum Tulley:** Really.

32 **Ed Fiddy:** Thousands. Keith got offered like two grand a day.

33 **Callum Tulley:** For the money that can be made out of it? You know I remember Yan saying
34 to me once, a long time ago on D wing, they used to like sell mobile phones and that.

35 **Ed Fiddy:** Who?

36 **Callum Tulley:** Them lot

37 **Ed Fiddy:** Yan? Yan used to sell mobile phones?.

38 **Callum Tulley:** That's what he said to me once. In D-Wing. Don't say -

39 **Ed Fiddy:** On here – in here?

40 **Callum Tulley:** No. Not in here. In Wandsworth. Yeah. You didn't hear that from me. But it's
41 not just the - he doesn't do it here so it doesn't concern me anyway. It wouldn't concern me
42 if he did it here either, to be fair, mobile phones are mobile phones. Do you know what I
43 mean?

44 **Ed Fiddy:** [Inaudible]

45 **Callum Tulley:** Yeah. Yeah. Exactly.

46 **Ed Fiddy:** I guess if you do it and then leave.

47 **Callum Tulley:** Yeah. Exactly.

48 **Ed Fiddy:** Yeah, but aren't you – I couldn't do it, to walk through that, like [Inaudible]. I'd
49 feel too guilty.

50 **Callum Tulley:** I couldn't – I couldn't bring in – don't think I could bring in spice, knowing
51 what it's done to members of staff. But – nah, I couldn't. I couldn't. Yeah, you're right. I
52 couldn't bring it. Mobile phones and that. It doesn't have such a big impact on the centre is
53 it?

54 **Ed Fiddy:** No. No.

55 **Callum Tulley:** But not that I would like – not that I would ever do something like that, or
56 suggest someone does it. Obviously, you know that – there's a difference between bringing
57 in spice and bringing in a mobile phone. Do you know what I mean?

58 **Ed Fiddy:** For one tiny [Inaudible] I guess. A phone 'oh, I've left my phone in my bag'.

59 **Callum Tulley:** That's alright.

60 **Ed Fiddy:** That's easy. That's easy. The same. From that respect later. I don't know. They do
61 a lot more stuff, searching. I don't think I've actually been searched yet.

62 **Callum Tulley:** It was yesterday was the first time I was searched, and it's over two years.

63 **Ed Fiddy:** I know when I was leaving nights, they were like 'oh, we've got the sniffer dogs'.
64 And they were searching staff. I was like fuck. Because I had my hard drive, films on there. I
65 was like [inaudible] I'm going to get fucked for this. But like all the - everyone on nights, they
66 are like pulling out these fucking USB sticks and shit and they've all got films on them.

67 **Callum Tulley:** Shit, do they take them?

68 **Ed Fiddy:** No we didn't get searched.

69 **Callum Tulley:** Oh, that's alright.

70 **Ed Fiddy:** Yeah.

71 **Callum Tulley:** Yeah, but nights, what are you going to do? Go watch a film?

72 **Ed Fiddy:** They know we do it.

73 **Callum Tulley:** Yeah, you know you do it mate. It's better than falling asleep isn't it and not
74 being able to hear someone's bell call, and hear an alarm or something, do you know what I
75 mean. At least it keeps you up. See you in a bit.

83 **Callum Tulley:** Is – that Portuguese – is that a Portuguese guy in that room? I don't know,
84 it's –

85 **Male Officer:** [Inaudible].

86 **Callum Tulley:** Who's the guy that threw the Chinese guy down the netting? Is he down the
87 other end?

88 **Male Officer:** He's down the block.

89 **Callum Tulley:** I see. Maybe he's got bipolar.

90 **Male Officer:** It's wouldn't surprise me.

91 **Female Officer:** Schizophrenic.

92 **Callum Tulley:** Schizophrenic, really?

93 **Male Officer:** Schizo, yeah.

94 **Male Officer:** [Inaudible].

95 **Female Officer:** He's got very bad highs and lows.

96 **Callum Tulley:** Very high sense of – yeah.

97 **Female Officer:** Very extreme, and within a minute.

98 **Callum Tulley:** Because I have only seen him high, and he's quite – he's quite manic, and
99 quite good spirits isn't he?

100 **Male Officer:** He flits about quite quickly.

101 **Callum Tulley:** Does he? That's interesting.

110 **Male Officer 1:** [Inaudible] check up.
111 **Callum Tulley:** I'll ask him. What's his name again?
112 **Male Officer 1:** 1255?
113 **Callum Tulley:** **D1978**
114 **Male Officer 1:** Right. That's what I mean. Number two. Two [Inaudible]. Two visits.
115 **Female Officer:** Are they going to pick him up or do we need to bring him?
116 **Male Officer 1:** Callum will take him.
117 **Callum Tulley:** Hang on a sec. Let me—yeah, sure. What do you want me to do? Let me
118 just ask this guy quickly if he wants to go to the gym.
119 **Female Officer:** I think number two had two visits.
120 **Male Officer 2:** [Inaudible]
121 **Callum Tulley:** Yeah, well I haven't got to stay with him have I?
122 **Male Officer 2:** No.
123 **Callum Tulley:** Sure. Yeah, no worries mate. **D1978** do you want to go to the gym
124 later?
125 **D1978**: Yes.
126 **Callum Tulley:** Yeah. About 12:15. 12:15 we'll come pick you up.
127 **D1978**: No problem.
128 **Callum Tulley:** You're alright?
129 **D1978**: Yeah, yeah, yeah. I lose temper with my friend because he was - he was
130 a give up of life. Already done that once, but I returned, so it wasn't give up.
131 **Callum Tulley:** What do you mean?
132 **D1978**: Sleep all day, you know, depresses, the – then I ask him what's the
133 problem, he turning violent to me, to do here, but then I ask him again, he come, that's why
134 I push him – crash –
135 **Callum Tulley:** Push him down the stairs, yeah. No worries.
136 **D1978**: I lose my temper because I was like that.
137 **Callum Tulley**: Yeah. No, I'm just asking. Do you want to go to the gym later today, yeah?
138 **D1978**: I go.
139 **Callum Tulley:** Cool.

I tried to plug everything
152 in the back.153 **Male Officer 2:** Who told you to grow that?154 **Callum Tulley:** You should grow one yourself Dan, you're looking a bit bare around there.155 **Male Officer 2:** You need to have a shave.156 **Callum Tulley:** I try plugging in everything that was unplugged, and nothing is –there's no
157 connection mate, so see you soon.

165 **Callum Tulley:** What's wrong Nathan?
166 **Male Manager 1:** It's just wrong mate.
167 **Callum Tulley:** We're missing one?
168 **Male Manager 1:** I can't even remember how many we are missing to be honest.
169 **Sean Sayers:** D-Wing got it wrong. [Inaudible] miscalculated the figures and then C-Wing
170 got it wrong two or three times after that.
171 **Callum Tulley:** That's impressive.
172 **Male Officer:** Who was on C-Wing? You're on D isn't it?
173 **Sean Sayers:** Yeah. One day of not being Charlie one.
174 **Callum Tulley:** Where are you, D-Wing? Yeah, you did get it wrong on D-Wing though, didn't
175 you?
176 **Sean Sayers:** Brewster did.
177 **Callum Tulley:** [Oh, Brewster. I've always wondered how they get it wrong, when like it is
178 literally just counting people.
179 **Sean Sayers:** Trouble is people come on the wing and let people in without telling me.
180 That's normally the biggest problem, because I've got officers come to the wing and start
181 locking up a different area on the same floor.
182 **Callum Tulley:** Right.
183 **Sean Sayers:** You don't tell the officers [inaudible].
184 **Callum Tulley:** Yeah, yeah, yeah.
185 **Sean Sayers:** So they might have already come through.
186 **Anya [Surname unknown - Officer]:** And also the annoying bit, is that humans being
187 humans, unfortunately they move. So you have [inaudible] and they will be trying to be
188 funny, he's hiding behind the wall.
189 **Callum Tulley:** Yeah. Simple, but it makes life difficult.
190 **Anya [Surname unknown - Officer]:** Difficult, and now with the three bedroomer, a three
191 man bedroom
192 **Callum Tulley:** Yeah.
193 **Anya [Surname unknown - Officer]:** Sometimes you don't really see whether there is
194 someone in there, or someone in the top bunk. And you open the door -
195 **Callum Tulley:** Yeah.
196 **Anya [Surname unknown - Officer]:** It is random. This happened before where I've
197 counted three in the room.
198 **Callum Tulley:** Yeah, yeah.
199 **Anya [Surname unknown - Officer]:** And then I went back, and I opened the flap and it was
200 only two.

Adel Hinder: It's just been murder. Roll count was wrong. We've got them all sitting in the fucking [inaudible]. No one could go anywhere. There was a woman from Yarl's Wood.

Callum Tulley: Did they all start kicking off?

Adel Hinder: Yeah. **DX** Oh, he's a fucking cunt.

Callum Tulley: Really?

Adel Hinder: Nearly smashed the glass. It just – it just be one of them shit days. Then I come on here, fucking big balls who thinks he is a big man now, because he's in a white shirt.

Callum Tulley: Oh. Yeah.

Adel Hinder: Walking about like a fucking... do you know what I mean? Idiot.

Callum Tulley: Who, Nathan?

Adel Hinder: Yeah. Do you know what I mean? People switch; they come out the blue shirts and go into a white one and think they're something fucking special. Standing there like, the woman who come in from Yarl's Wood, **Sensitive/Irrelevant**. Is he coming in?

Callum Tulley: No.

Adel Hinder: [00:00:45].

Callum Tulley: It's Carl, it's Carl from [inaudible].

Adel Hinder: **Sensitive/Irrelevant**

Callum Tulley: This woman?

Adel Hinder: Yeah, from Yarl's Wood and she got an interview up [inaudible].

Callum Tulley: Oh really? What, a detainee? Oh, wow.

Adel Hinder: Yeah. Because she's waiting to have this interview, but she isn't taking her medication.

Callum Tulley: Alright, oh god.

Adel Hinder: So she's had no medication. So I've tried to speak to – I'll speak to him down at reception, and said 'any chance you can speak to healthcare to see whether they could just watch her while she takes the tablets I'm not asking them to do anything.

Callum Tulley: Yeah.

Adel Hinder: Anyway, he's like, face like that, he said 'No', he said, 'it's not possible'. I said, you haven't even asked them, like the woman's standing there, she's had no fucking medication. Basically, she can't have any until she goes back to Yarl's Wood.

Callum Tulley: Right.

Adel Hinder: 'Oh no, well I'm telling you it's not possible'. I went 'well why don't you just ring up healthcare and ask them if they'll do it.' Rung up healthcare, picks me off because they fucking said no.

Callum Tulley: Yeah. Yeah.

Adel Hinder: So he's taking great pleasure in saying, do you know what I mean, kind of I told you so. But now she's – you know, you're having day like that –

Callum Tulley: Yeah.

Adel Hinder: – And you just think I'm leaving early tonight, thank fuck.

Callum Tulley: Well, you're off tomorrow as well, aren't you?

255 Pakistani boy?

256 **Adel Hinder:** Yeah.

257 **Callum Tulley:** Yeah. He's got - [Inaudible].

258 **Adel Hinder:** He's got to be about 12, hasn't he? He's on here, isn't he?

259 **Callum Tulley:** Your guess is as good as mine.

260 **Adel Hinder:** He's on here. He was up for visits yesterday. I thought there's no way you're
261 fucking – how old they got to be in here?

262 **Callum Tulley:** They thought – they think he's 18. So they're saying he's 18.

263 **Adel Hinder:** I don't think he's 18 at all. Lucky if he's 15, I think.

264 **Callum Tulley:** Right. No. Well. But it certainly looks that way.

265 **Adel Hinder:** Exactly.

266 **Callum Tulley:** I'm coming round, yeah–

Callum Tulley: You confiscate that from you on the search?

Anya [Surname unknown - Officer]: No, she didn't get it from me on the search. As I was patting my pockets, obviously we didn't have time to put the stuff in the lockers, when I was patting my pockets, I saw it and went 'oh, I've got this one'.

Callum Tulley: That's what I don't really understand is that like you – they didn't give you the opportunity to go and put your stuff in your locker, like you normally would. So you bring your mobile phone into the – through the gate house, you put it into your locker, but they didn't – they didn't let us go around the lockers. I mean I was lucky because I didn't have a phone. I didn't have my phone on me yesterday, so I was just about – if I would have gone – when I walked to the lockers, Steve Skitt was like, 'Oh no, don't worry Callum. Don't go to the lockers, just keep going through up to visits.' And I was just thinking, well, I would – I would normally put my phone in my locker, and then if I go up to visits and bring my mobile phone, and then I'm sort of – do you know what I mean?

Anya [Surname unknown - Officer]: And then my argument is, well what she's saying is it's because you don't have a locker, so because I'm one of the new people, I haven't been assigned a locker. Like people that have been here for years, and they don't have a locker.

Adel Hinder: Yeah. I don't. Yeah.

Anya [Surname unknown - Officer]: But what I do, is usually I will ask gate house, they have the little lockers by the radios and stuff, but you have to be – what I do, I put my stuff, and then I'll go to the gate house, I'll ask for a key, and then I'll put this stuff in the locker, in the end of the day I'll hand it back here, you know. Oh yeah, because you don't have a locker assigned, I'll have to assume you were going to take it in. You didn't let me go to my fucking locker. You didn't even let me ask for a key. How does that make sense?

Adel Hinder: Was it - why didn't you say to her?

Anya [Surname unknown - Officer]: I did say to her, but I can't get a word or anything to be honest in the [Inaudible]. Do you know when you're just like 'I can't be fucked', if you want to keep it, keep it.

Callum Tulley: But as long as – you're not in any trouble for it, are you?

Anya [Surname unknown - Officer]: Well, to be honest, if – and please, I don't want this to leave this room. If I was to be in trouble, one, I would get POA on it.

Callum Tulley: Yeah.

Anya [Surname unknown - Officer]: Because your argument is she's saying, 'Because you don't have a locker, I have to assume you're going to bring into the building.' Yes, but you did not give me the chance.

Adel Hinder: What you have to say to them is. Listen, when I walked in the gatehouse, I was just about to get a key from the gate house, for a locker.

Callum Tulley: Yeah. Yeah. Yeah. That's right.

Adel Hinder: So, you didn't give me a chance to get a key from the gate house, because we was ushered through –

Callum Tulley: Absolutely

Adel Hinder: – by Steve Skitt and Jules. So I didn't get a chance to get a key for the locker. If I had got a locker key, it would be in the locker. So where are you going to go with it? You know what I mean?

318 **Anya [Surname unknown - Officer]:** Yeah.
319 **Callum Tulley:** They can't.
320 **Adel Hinder:** If you didn't have an opportunity to get a locker key, then that's their problem.
321 Because they love it. They stand in that gate house, Jules and – I've never seen Jules fucking
322 smile go so wide.
323 **Sebastian [Surname unknown - Manager]:** Yesterday, I told Sarah. I told Sarah I thought -
324 **Adel Hinder:** When there's a chance that he might be catching staff out, he fucking loves it.
325 **Sebastian [Surname unknown - Manager]:** I thought, you know how long? Yeah, yeah,
326 yeah. I thought – I thought I'm going to get sacked yesterday.
327 **Callum Tulley:** Who, Jules and [Inaudible]?
328 **Adel Hinder:** It's like that, isn't he? He loves it.
329 **Sebastian [Surname unknown - Manager]:** Yeah. Because [Inaudible] I said, I'm going to get
330 checked. I've got to leave my stuff and he said 'no, no, no, don't bother'.
331 **Adel Hinder:** Yes.
332 **Sebastian [Surname unknown - Manager]:** He's laughing and saying [Inaudible].
333 **Adel Hinder:** Yeah, I saw him.
334 **Sebastian [Surname unknown - Manager]:** But I say like he was – they were trying to catch
335 people. And I'm sure they caught somebody.
336 **Adel Hinder:** Well, I can't remember your name.
337 **Anya [Surname unknown - Officer]:** Anya.
338 **Adel Hinder:** Anya just said that she had a charger for an e-cigarette, but she didn't get a
339 chance to put it in the locker, because they're pushing her through.
340 **Sebastian [Surname unknown - Manager]:** Tell you something, 'yeah, don't worry, they can
341 afford to lose it'. [Inaudible]
342 **Adel Hinder:** A fucking joke this place is. I tell you.
343 **Anya [Surname unknown - Officer]:** Yeah, but the thing that is –
344 **Adel Hinder:** Ring up the whistle blower.
345 **Anya [Surname unknown - Officer]:** – annoying me the most is the fact that she was like,
346 'Oh well, because you don't have a key.' Well, first of all, you should know the process, if we
347 don't have a locker, what do you want me to do? Okay.
348 **Sebastian [Surname unknown - Manager]:** Yeah. Yeah.
349 **Anya [Surname unknown - Officer]:** So, you know, what I could do –
350 **Sarah [Surname unknown - Staff]:** Also, I do have a locker, but I sometimes find I -
351 **Sebastian [Surname unknown - Manager]:** No. They asked me to go upstairs with all the
352 things, and I was sweaty. So because, sorry, but I just can't go cycling in the first place.
353 **Anya [Surname unknown - Officer]:** But the argument is, I don't have a locker at all.
354 **Sebastian [Surname unknown - Manager]:** Yeah.
355 **Anya [Surname unknown - Officer]:** So I have to go to the gate house –
356 **Adel Hinder:** If you get the key to the gate house.
357 **Anya [Surname unknown - Officer]:** – and get a key.
358 **Callum Tulley:** Yeah I used to have to do that for about 2 years.
359 **Sebastian [Surname unknown - Manager]:** Yeah.
360 **Anya [Surname unknown - Officer]:** But if I was told to go straight upstairs, but the
361 argument that she is using, and this is what is annoying me is, 'Oh, but you don't have a
362 locker.' Yeah, but I can get a key.
363 **Adel Hinder:** No, but I get a key

364 **Callum Tulley:** Do you guys think that it's coming from people higher than Michelle, because
365 she's not really like – it's not in Michelle's nature to be like that. Because you know Michelle
366 quite well don't you Adel, right?
367 **Adel Hinder:** Especially – it's probably pressure from the very top.
368 **Male Detainee:** Hello?
369 **Sebastian [Surname unknown - Manager]:** The thing is [inaudible]. It's coming from the top
370 because drugs and it's such a long time now.
371 **Adel Hinder:** Yeah.
372 **Sebastian [Surname unknown - Manager]:** They're thinking that they're convinced
373 [Inaudible] officers bringing in the drugs.
374 **Callum Tulley:** They are convinced it is officers?
375 **Adel Hinder:** Yeah. This – it's been a bit of a spark in it, hasn't there?
376 **Sebastian [Surname unknown - Manager]:** It's coming from the top, and names have been
377 given. To get somebody [Inaudible]. I mean, somebody, but you know who is not working
378 with us anymore.
379 **Callum Tulley:** Well, yeah. But now, surely now Leah is gone, like –
380 **Sebastian [Surname unknown - Manager]:** Who?
381 **Anya [Surname unknown - Officer]:** Who's that?
382 **Callum Tulley:** Because Leah was suspended obviously.
383 **Sebastian [Surname unknown - Manager]:** I don't – Aliya, yeah. And I don't put the
384 [Inaudible] but the name was told to me and to Sarah, and many people more. [Inaudible]
385 they have the information from before.
386 **Adel Hinder:** Yes. See, I've heard another name.
387 **Sebastian [Surname unknown - Manager]:** If there's another name, I don't want to -.
388 **Adel Hinder:** But we spoke about that before.
389 **Anya [Surname unknown - Officer]:** I don't hear any names. People tell me – people tell me.
390 [10:10 Adel Hinder mouths "Ginge", referring to a male officer.]
391 **Sebastian [Surname unknown - Manager]:** [Inaudible]
392 **Anya [Surname unknown - Officer]:** The thing is that people tell me stuff, but usually what I
393 do is just like I don't care it is nothing to do with me.
394 **Callum Tulley:** Ginge, really? You've heard about Ginge?.
395 **Sebastian [Surname unknown - Manager]:** I go to some of their drinks, yeah.
396 **Anya [Surname unknown - Officer]:** I'd rather not get involved on anything like that.
397 **Sebastian [Surname unknown - Manager]:** Because you, I would tell your name, I would tell
398 you don't come back to work.
399 **Anya [Surname unknown - Officer]:** Was it me?
400 **Callum Tulley:** Yeah. What about me Sebastian?
401 **Sebastian [Surname unknown - Manager]:** Sorry?
402 **Callum Tulley:** What about me?
403 **Sebastian [Surname unknown - Manager]:** No. I would not tell you.
404 **Callum Tulley:** What?
405 **Sebastian [Surname unknown - Manager]:** [Inaudible]. This lady, she speak Spanish, but you
406 **Anya [Surname unknown - Officer]:** So you –
407 **Sebastian [Surname unknown - Manager]:** There are more people and there are more
408 reason I won't do it.
409 **Callum Tulley:** Really?
410 **Sebastian [Surname unknown - Manager]:** It's panicking because it is not normal.

411 **Adel Hinder:** It's awkward isn't it, because when you get –
412 **Sebastian [Surname unknown - Manager]:** It's scary.
413 **Adel Hinder:** If you hear it, and obviously it's someone you work with, you know in your
414 department.
415 **Sebastian [Surname unknown - Manager]:** Very scary.
416 **Callum Tulley:** It's scary, you can't see exactly – yeah, you're right, it's chilling.
417 **Adel Hinder:** If you hear it, you don't know whether to put something in about it
418 **Sebastian [Surname unknown - Manager]:** Totally with you. Totally with you. Because this
419 is about rumour, and it's not real, because when you get - your life is-
420 **Callum Tulley:** Yeah.
421 **Adel Hinder:** When that one came up, obviously we worked with him.
422 **Callum Tulley:** But I wouldn't – I wouldn't believe something like that for a minute,
423 especially about Ginge because a lot of detainees don't like Ginge very much, so it wouldn't
424 surprise me that they actually said it was him to get him in shit.
425 **Adel Hinder:** I had that with **D162**
426 **Sebastian [Surname unknown - Manager]:** [Inaudible] the meaning.
427 **Callum Tulley:** **D162**? No way.
428 **Adel Hinder:** Yeah.
429 **Callum Tulley:** **D162**
430 **Adel Hinder:** Yeah
431 **Sebastian [Surname unknown - Manager]:** Who?
432 **Adel Hinder:** **D162**
433 **Sebastian [Surname unknown - Manager]:** **D162**
434 **Adel Hinder:** **D162** who was here, but you know.
435 **Anya [Surname unknown - Officer]:** Is he here again?
436 **Adel Hinder:** No. He's gone.
437 **Callum Tulley:** He wouldn't do it.
438 **Adel Hinder:** Whoever is doing it still is pretty stupid. It's locked until 1:30 [addressing
439 detainee knocking on the door].
440 **Sebastian [Surname unknown - Manager]:** Whoever is doing this is probably going to
441 prison. This Leah is going to prison.
442 **Callum Tulley:** Yeah.
443 **Adel Hinder:** They are going to make an example of it.
444 **Sebastian [Surname unknown - Manager]:** Three or four children she has.
445 **Adel Hinder:** Is she going to jail?
446 **Callum Tulley:** But she's not - she's been convicted, I don't think she has. They are still
447 investigating.
448 **Sebastian [Surname unknown - Manager]:** I don't know. I don't know. This is very serious.
449 The police was called, the police went and found her with the police. And the police , they
450 came with dogs.
451 **Adel Hinder:** And did they find a lot of stuff in her car?
452 **Sebastian [Surname unknown - Manager]:** In her car. With dogs, police dogs. There is no –
453 when you get involved, you are charged, [Inaudible]. This thing to happen is serious.
454 **Adel Hinder:** Do you know what, right, what I don't get is –
455 **Anya [Surname unknown - Officer]:** Shit. Whose bag is this?
456 **Callum Tulley:** Not mine.
457 **Anya [Surname unknown - Officer]:** Is this your bag Adel?

458 **Adel Hinder:** No babe.
459 **Sebastian [Surname unknown - Manager]:** The cake is cooked.
460 **Adel Hinder:** If you're making a million pounds out of it, it's life changing. You might do a
461 few years in prison for it.
462 **Sebastian [Surname unknown - Manager]:** Yes.
463 **Adel Hinder:** But you're making a couple of 100 quid at this, it's not life changing, and
464 you've now lost your job, you've got a criminal record and you've got kids.
465 **Sebastian [Surname unknown - Manager]:** And you cannot go, yeah. Yeah. But it was
466 something –
467 **Adel Hinder:** It wasn't just one thing with her, obviously, there's loads of stuff she's bringing
468 in.
469 **Sebastian [Surname unknown - Manager]:** No, it was a mix of [Inaudible].
470 **Callum Tulley:** So how – who else was it?
471 **Sebastian [Surname unknown - Manager]:** Yes. Yes. The parents were officers within the
472 house. The parents were officers within the house, and she got such a position, but she was
473 working for Primark and part time Primark and part time G4S. That's how we let it – this is
474 very -
475 **Callum Tulley:** Yeah. Yeah. Yeah.
476 **Sebastian [Surname unknown - Manager]:** How you can work part time in Primark and part
477 time in G4S?
478 **Anya [Surname unknown - Officer]:** I know her, because she is the lady that used to wear
479 one of our with-
480 **Sebastian [Surname unknown - Manager]:** Which mean – and she was not allowed – she
481 was not allowed to get in the wings, but she was getting in the wings.
482 **Callum Tulley:** I saw her on the wings a few times.
483 **Anya [Surname unknown - Officer]:** Yeah.
484 **Sebastian [Surname unknown - Manager]:** But we need to understand that people spend
485 here 13 hours, and everyone is on –] is what you say. It's not for money. It cannot be
486 money. Because money, what kind of money these people can pay you? Because most of
487 them has no money.
488 **Anya [Surname unknown - Officer]:** But that's the problem. Sometimes the money is not
489 being paid in here.
490 **Sebastian [Surname unknown - Manager]:** It's outside.
491 **Anya [Surname unknown - Officer]:** Okay. Because I watched a program the other day, it
492 was drugs – how drugs get –
493 **Callum Tulley:** It's external isn't it, yeah.
494 **Anya [Surname unknown - Officer]:** Yeah. How drugs get in prisons, and this woman was
495 talking about how she was spraying paper with spices and things like that.
496 **Sebastian [Surname unknown - Manager]:** But this one, you're going to be there for long.
497 But here.
498 **Adel Hinder:** Yes.
499 **Anya [Surname unknown - Officer]:** And reality is, yes, in here, you don't make that much
500 money, but –
501 **Callum Tulley:** You do make a bit of –
502 **Anya [Surname unknown - Officer]:** The families themselves, they will be like, I'm going to
503 do a favour for this person that he is on this prison, and the family will pay. Sometimes
504 they're not even aware what they're paying for.

505 **Sebastian [Surname unknown - Manager]:** Yeah.
506 **Anya [Surname unknown - Officer]:** So they do make a lot of money.
507 **Adel Hinder:** I just can't even like I'm intolerant to staff that are doing it, because of the
508 implications on other staff members.
509 **Callum Tulley:** Yeah, exactly.
510 **Adel Hinder:** Do you know what I mean?
511 **Sarah [Surname unknown - Staff]:** It affects us all.
512 **Adel Hinder:** Yeah.
513 **Callum Tulley:** Oh my God, my Christmas day. There's like 22 medical responses, like it was
514 the worst Christmas day I've ever had. I left that shift, and I just basically promised myself I
515 would never, ever work Christmas day again.
516 **Adel Hinder:** And the worst thing about it was I spoke to her, I spoke to Leah in the car park
517 the day we had the staff search. I come in, we had a staff search in the morning. I went out
518 to my car at lunch time, she was in her car. She came over to me and she said, 'Oh Adel.' She
519 said, 'Is there a staff search today?' I said, 'Yeah. Yeah. Staff search, so I think this is pretty
520 much all day.' She's on her phone, to someone as I got out the car. Then she – then I said to
521 her, 'Do you know what Leah, so whoever is fucking bringing this in is bang out of order
522 because the impact on staff that are working.' 'Yeah, I can't believe it but they've thrown my
523 name around, and I don't know why they've thrown my name around.'
524 **Sebastian [Surname unknown - Manager]:** She knew already this one.
525 **Adel Hinder:** She obviously knew. There was someone that telephoned her.
526 **Sebastian [Surname unknown - Manager]:** They are call each other. They are call each
527 other. Be very careful because [Inaudible]. But I knew that before in business [Inaudible].
528 **Anya [Surname unknown - Officer]:** But I believe that there are staff themselves smoking
529 here
530 **Callum Tulley:** Smoking spice.
531 **Sarah [Surname unknown - Staff]:** Really?
532 **Callum Tulley:** I find that hard to believe.
533 **Sebastian [Surname unknown - Manager]:** Spice no. But cheese yes. I tell you now.
534 **Callum Tulley:** Well yeah.
535 **Sebastian [Surname unknown - Manager]:** Cheese yes, spice no, because spice cannot
536 control. Cheese yes.
537 **Adel Hinder:** No. I believe that the –
538 **Callum Tulley:** No one is smoking spice in there.
539 **Sebastian [Surname unknown - Manager]:** Both? Spice has no control?
540 **Callum Tulley:** People that smoke spice, like they are –
541 **Anya [Surname unknown - Officer]:** Remember that a new batch of spice there is coming in,
542 because I don't know if it's true or not. But what I've heard is that this batch of spice that
543 was coming to us during Christmas was apparently laced with heroin and so on.
544 **Sebastian [Surname unknown - Manager]:** Yeah, because [Inaudible]
545 **Callum Tulley:** Yeah, because due –
546 **Adel:** It must have been in there [Inaudible].
547 **Callum Tulley:** Around that time at Christmas like –
548 **Anya [Surname unknown - Officer]:** The batch of spice that they are doing now, and
549 apparently is being brought in now, and it's all across the country is a different batch. So it
550 will give you more similar reaction apparently to cannabis. So it's still obviously, health wise,
551 it's still worse than cannabis, because, you know, it's a synthetic drug.

552 **Adel Hinder:** Shit.
553 **Sebastian [Surname unknown - Manager]:** You know what worry me more is –
554 **Sarah [Surname unknown - Staff]:** Why would you want to take it at work? Let alone at
555 home?
556 **Sebastian [Surname unknown - Manager]:** 13 hours. Because you are working - Sarah don't
557 get it. You know. 13 hours here.
558 **Adel Hinder:** Now I'm going to start smoking that.
559 **Sebastian [Surname unknown - Manager]:** [Inaudible] 13 hours on the nights. 7 nights.
560 [Inaudible]
561 **Adel Hinder:** 77 hours on nights, you'd probably smoke your head off on it.
562 **Sebastian [Surname unknown - Manager]:** [Inaudible].

Sebastian [Surname unknown - Manager]: [Inaudible].
Callum Tulley: Yes. [Inaudible]
Adel Hinder: Slim?
Sebastian [Surname unknown - Manager]: You don't know that?
Callum Tulley: He was only suspended though. He wasn't –
Sebastian [Surname unknown - Manager]: [00:00:06] up here. I knew it was going to happen, he came to my classroom, started to speak of ISIS, loud, and I think – I thought 'you are going to be in trouble' and weeks later they told me 'you know about Slim?' I said no he disappeared, [00:00:18] the police went to his house, boom.
Callum Tulley: Yeah, you know, they raided his house and searched all his laptop for stuff, everything.
Adel Hinder: Really?
Sebastian [Surname unknown - Manager]: Yeah. Yeah, yeah, yeah, everything. [Inaudible]. They found he had tried to buy tickets to go to [Inaudible].
Callum Tulley: Yeah, no worries.
Sebastian [Surname unknown - Manager]: [Inaudible] he was watching the [Inaudible] attacks I believe. I remember that. 'What respect do they have, attacking everybody? We need to attack them back', and 'we' including himself'.
Callum Tulley: Who is this?
Sebastian [Surname unknown - Manager]: It's Slim, he was very radical before with the comments.
Callum Tulley: Really?
Sebastian [Surname unknown - Manager]: After that [indicates with fingers as though sealing a zip across his mouth, 'his lips are sealed gesture']. I used to eat – I used to go to break in the staffroom upstairs as he's walking in before the [Inaudible]. He used to go there always, before. Any news in the day, he used to make comments.
Callum Tulley: He works here now, doesn't he?
Sebastian [Surname unknown - Manager]: Now he is out. Out. Now don't make comments at all. He don't comments at all.
Callum Tulley: He's alright, Slim, though like.
Sebastian [Surname unknown - Manager]: He's alright. Just don't talk about it here.
Callum Tulley: Either way – well, [Inaudible].
Sebastian [Surname unknown - Manager]: He don't get involved in anything now, that way. That's one example, there is one other person that I knew that was coming out.

Callum Tulley: I remember when roll count used to be called at 8 past, do you know what I mean? Yeah, so he's always here. And then I got there, and I got there about 5 past, sort of help put the last few people into their rooms, they were, 'No, no, that's all banged up now.' And then they were – the roll count was incorrect, and like it was like 14 minutes past.

Liz [Surname unknown - Officer]: The thing is though then, what the officers are saying – there's someone at the door, and what the officers are saying is just take a bit longer and get it right, so if you pull it at quarter past.

Callum Tulley: Absolutely.

Liz [Surname unknown - Officer]: Yeah you guys, and they're saying you're rushing to get in early, so you don't be late, but actually rushing it is making it longer, and it's making it extra late.

Callum Tulley: Even later, yeah, yeah.

Liz [Surname unknown - Officer]: Yeah. Take your time, go over it, blah, blah, blah, you know, re do it if you need to, then bringing me the figures. Because I'd rather wait an extra few minutes –

Callum Tulley: Yeah, than –

Liz [Surname unknown - Officer]: – than me bang it out at 5 past and it be wrong. But I don't have to do it, I don't care.

Callum Tulley: Yeah, you got yourself out.

Liz [Surname unknown - Officer]: Yeah. Well, kind of, I'm still here though, aren't I?

Callum Tulley: True.

Liz [Surname unknown - Officer]: But no, yeah. Much better hours, there's much more pay.

Callum Tulley: That's decent. I'm going back on wing.

Liz [Surname unknown - Officer]: Yeah. [Inaudible].

Callum Tulley: I heard – she was telling me about the.

652 on your own? When you used to work on the wings?

653 **Liz [Surname unknown - Officer]:** All the time.

654 **Callum Tulley:** It's not much fun. It's lonely as well, because no one is about.

655 **Liz [Surname unknown - Officer]:** It's shit. Its complete and utter shite. But you should not
656 be left on your own, I would be fucking on the phone to control right now.

657 **Callum Tulley:** Yeah.

669

Callum Tulley: [Inaudible]

670

Female Officer: Hmm. Well that's why I've kept him on this wing. I know you shouldn't. But he would get lost if he was on any of the other wings. He would have got lost. People wouldn't have helped him, they'd have forgotten him. Me and [Inaudible] have really been helping him.

683

Please. And she come, look what [Inaudible], she bring me the demon, you tell me this.

Then she left me three days without pills, when she had the right prescription in the computer. Evil.

686

687

Callum Tulley: I need to stop. I should – I think it's probably - in future, I might just, because roll count is consistently wrong now. I might just come down at 12:15 straight after I've had some calls, do you know what I mean. I'm sitting in the office waiting for them to call it.

688

689

Maybe. I don't know what it is. Because I'm making the promises and I can't keep them.

[D1978]: So I need medication for what; for sleep? I don't sleeping.

Female Officer: Yeah.

Callum Tulley: Yeah.

Ed Fiddy: [Inaudible]
Callum Tulley: Yeah, yeah, I saw – yeah, oh, yeah, I saw what he said, but why was he saying that?
Ed Fiddy: He was just being a cunt mate.
Callum Tulley: Threatening behaviour towards myself. When opening up for lunch, on Eden wing. He told me that he was going to fuck me up.
Ed Fiddy: I love putting that shit up there.
Callum Tulley: Yeah. Because you know how the officers will be reading it and just cracking up. Well, why was he doing that?
Ed Fiddy: I don't know. I don't even know the guy. I was, I was like going for seconds, and he was like 'you fucking cunt'. And I was like – and then I just started to roll with it, I was like, 'Thanks mate.' And he was like, 'you fucking, raa' [does an impression of someone getting angry]
Callum Tulley: What were you doing covering lunch breaks out there?
Ed Fiddy: I'm not now, I'm taking them to the gym.
Callum Tulley: Oh right.
Ed Fiddy: Do you want to the gym tonight?

Ed Fiddy: No. No. I'll take them to the gym.

 1205 **Aaron Stokes:** There's no one who counted the ground floor yet, is that what we're saying?
