

**Joe Marshall:** You know, yeah exactly.

**Dan Lake:** Be a professional. Be a [inaudible]

**Joe Marshall:** You know don't you. Like, we were going for a fag didn't we? But you - when you know the command suite's taken at three in the afternoon, you wouldn't go out for a fag. You just know because you know that there are eyes everywhere you know?.

**Unknown Speaker:** They're up there watching. Yeah.

**Callum Tulley:** Well, you're needed as well. You're needed in an incident like that. They need you.

**Joe Marshall:** Did it sound like I was getting agg-ie then like?

**Dan Lake:** Yeah you know you get [inaudible]

**Callum Tulley:** Sounded like you were getting so agg-ie, mate.

**Unknown Speaker:** Good. Good. But the fire alarm

**Callum Tulley:** But it wasn't unprofessional

**Joe Marshall:** The fire alarm one was just a complete joke. I announced it, and there's - I'm watching them by the door on D Wing. That's why I said, 'Can any available member of staff?' I'm watching them like this [imitates arms-crossed; eyes down]. And in the control room, the fire alarm goes off -yeah?

**Dan Lake:** Yeah.

**Joe Marshall:** Bear in mind [inaudible]. It goes off. So it's deeeee. It sounds like there's a fucking burst [inaudible]. Cunts. I'm up there again for lunch and dinner [claps enthusiastically][inaudible].

**Dan Lake:** [inaudible]

**Callum Tulley:** [laughs]

[END OF TRANSCRIPT]

**Derek Murphy:** I think that what I meant is [inaudible]. Even for a minute, okay.

**Female Nurse :** [inaudible].

**Derek Murphy:** I think so, but he won't go. Let me just check - double-check like.

**Callum Tulley:** Who's that?

**Female Nurse:** [inaudible]

**Derek Murphy:** I'm going to say this yeah, I don't know what the hell you've done, bringing him back in off that van. That was abuse you and bloody what's her name.

**Female Nurse:** No. Are you serious?

**Derek Murphy:** Yeah.

**Female Nurse:** Can I ask you something? How can you take a man that is on constant supervision and say gonna kill himself and put him on a - What you telling?

**Derek Murphy:** No, hold on. Hold on. Let me just finish.

**Female Nurse:** Wait. Let me tell you something. If anything happened to him, G4S is not going to stand up for me. And -

**Derek Murphy:** No, it was -

**Female Nurse:** -my NMC outlined everything that I'm supposed to do.

**Derek Murphy:** Yeah, I just think - because he was - he was going to go to Barcelona. It was arranged for him to go - the only thing he done wrong was he tried to hang himself at the airport.

**Female Nurse:** Exactly.

**Derek Murphy:** But there was no proof of that. TASCOR never told us; it was him that told us.

**Callum Tulley:** Oh, this is Shaun.

**Female Nurse:** But TASCOR didn't know.

**Derek Murphy:** They did. Yes they fucking did. Well, anyway it doesn't matter.

**Female Nurse:** Yeah, yeah, yeah, TASCOR know because he said they were whispering and said he he tried to hang himself.

**Derek Murphy:** Yeah. Yeah.

**Female Nurse:** [Inaudible]. He's on constant supervision. They're going to take the constant supervision and [inaudible] he board the flight. No protection. I said to Dan, 'Dan -

**Derek Murphy:** Yeah. I hear you. Sorry. Wrong [inaudible] I'm sorry you're right.

**Female Nurse:** I said, 'Dan'. I said, 'Dan, you need to let Immigration know - now - that if he's going they need to have protection'.

**Derek Murphy:** Yeah, yeah.

**Female Nurse:** That man said he doesn't know what he will do. He suffered with bi-polar

**Derek Murphy:** Yeah that's right, yeah. He's actually quite nice. I don't [inaudible].

**Female Nurse:** If he kill himself, out there it's going to come back on us here because he's on constant supervision. It's like a - let him lose and said come, go, [inaudible].

**Callum Tulley:** Do you know what I forgot about that [inaudible]. I was [inaudible]. Why put him on a flight if he's constant supervision?

**Female Nurse:** Constant supervision. Are they totally mad?

**Callum Tulley:** Is it escorted?

**Female Nurse:** No.

**Callum Tulley:** Oh right.

**Female Nurse:** That's a serious issue.

**Callum Tulley:** Who were going to do that? TASCOR?

**Female nurse:** [Starts applying a blood pressure cuff to Derek Murphy's left arm]

**Derek Murphy:** No it's Home Office [inaudible].

**Female Nurse:** They put him on a flight and he's

**Callum Tulley:** They book him on a flight when he's under constant supervision?

**Derek Murphy:** Constant supervision. Yeah, I know it's odd. Sorry I never thought about that. I wasn't doubting you at all.

**Female Nurse:** [laughs]

**Callum Tulley:** What's that Shaun in here for?

**Derek Murphy:** He came over here apparently he was just

**Female Nurse:** Coming to visit [inaudible].

**Derek Murphy:** Coming to visit or something right and then they stopped him and they found a [inaudible] sorry.

**Female Nurse:** Relax. Relax and let this [referring to the blood pressure cuff].

**Callum Tulley:** [Addressing someone off-screen] What's going on? All right. That's all right. We'll play pool in a minute - a few minutes.

**Unknown Speaker 1:** Yeah. [Inaudible] before handwashing and no problems for this.

**Callum Tulley:** Eh?

**Unknown Speaker 1:** Before two minutes, hand wash - washing and [inaudible]. Hello [starts laughing]

**Calum Tulley:** Hello. Hello.

**Unknown Speaker 1:** Cool?

**Callum Tulley:** [Inaudible]. Yeah, give us five minutes, yeah?.

[06:30:00 - 09:10:00]

**Female Nurse:** [Inaudible].

**Derek Murphy:** Yeah, yeah.

**Female Nurse:** He has his family in

**Callm Tulley:** Geneva

**Female Nurse:** America. He has not experience in America. Family family in America. He has family in Geneva, he has family in this country. This is a guy that [inaudible] that the family wouldn't let anything go.

**Derek Murphy:** Yeah, yeah, yeah, yeah.

**Female Nurse:** G4S wouldn't back us.

**Derek Murphy:** No, you're right. You're right, yeah yeah. That gives you a [inaudible].

**Callum Tulley:** [Laughs]

**Derek Murphy:** [Inaudible] gave him bi-polar. He died. You administered it. [Laughs]

**Female Nurse:** [Inaudible]

**Callum Tulley:** [Laughs] Yeah, but, Derek sorry [inaudible] you were saying? What did he do?

**Derek Murphy:** He tried to - well what he said he said [inaudible] he tried to hang himself because [inaudible] he said he went over to the window and all the people are in the office - staff. The office was - they were all asleep.

**Callum Tulley:** Really?

**Derek Murphy:** Well, we'll wake them up. Yeah.

**Callum Tulley:** Shit. Because he went to prison in America, didn't he?

**Derek Murphy:** What?

**Callum Tulley:** He went to prison in the US didn't he?

**Derek Murphy:** I don't know. How do you know that?
