48 **Detainee:** See you later yeah.  
49 **Callum Tulley:** See you later man. 3  
50 **Detainee2:** [Inaudible] because this way sometimes it's just like someone committed  
51 suicide—you know.  
52 **Callum Tulley:** What's wrong? What's wrong?  
53 **Detainee 2:** Just to like kill yourself you know.  
54 **Detainee 1:** Yeah I know.  
55 **Callum Tulley:** What is wrong man?  
56 **Detainee 2:** It's – I'm in a very bad mood because staying here [inaudible] it's not a joke,  
57 man. So, sometimes you just feel like committing suicide. [Inaudible]. And feel happy  
58 for the seconds. You know how it is. Crazy.  
59 **Callum Tulley:** I hear you mate. I hear you.  
60 **Detainee2:** It's crazy.  
61 **Detainee1:** It'll be all right.  
62 **Callum Tulley:** Keep an eye on it.  
63 **Louis:** 213 [inaudible].  
64 **Callum Tulley:** Yeah there's two in there. He just goes the guy in 201, the guy sat on the  
65 right side of the bed, He goes to me, He looks – he looks like he's in a bad mood at the  
66 top of the wing earlier on when I see it. He went into his room willingly. He's all right,  
67 but he goes to me 'Sometimes this place makes you feel like you want to commit suicide'.  
68 He said to me and **D304** I don't know – I don't know what you think. [Inaudible]. Don't  
69 know if its heat of the moment, think he will be alright.  
70 **Louis:** What is – do I know. Do we think it's serious or – or just – he was in the raised  
71 concern before.  
72 **Callum Tulley:** He was?  
73 **Louis:** He was a raised concern, but they removed the raised concern.  
74 **Callum Tulley:** Oh, really. Do you think I should put – do you think I should. **Louis:** You  
75 speak to the manager.  
76 **Callum Tulley:** What do you think I should do?  
77 **Louis:** Speak to a manager because if he said he wants to kill himself now, whatever, you  
78 need to get a [inaudible] to open it. A CDT.  
79 **Callum Tulley:** Sure.  
80 **Louis:** Go and speak to a manager but do it quick – I don't know in 10, 15 minutes  
81 [inaudible].  
82 **Callum Tulley:** What – is there management on the wing?  
83 **Louis** [Inaudible].their maybe one in C or D.  
84 **Callum Tulley:** okay thank you Dix – is that Dixie?  
85 **Louis:** [Inaudible].  
86 **Callum Tulley:** Ah, Conway.  
87 **Male Manager:** Anytime you're free. I was doing to inductions.  
88 **Detainee:** Half one.  
89 **Male Manager** Half one? All right.  
90 **Callum Tulley:** Are you – are you the manager of this wing today?  
91 **Male Manager:** No.  
92 **Callum Tulley:** Because mate you do – you do – what's your role?  
93 **Male Manager:** Sitting down, watching [inaudible].  
94 **Callum Tulley:** Because the guy in 201, he just told me he – he was going to raise a  
95 concern I think. And he's now told me he's – this place makes you feel like you want to  
96 commit suicide and kill yourself.  
97 **Male Manager:** Do you feel like he's going to self-harm?

98 **Callum Tulley:** Well, I don't know. What do you – I don't know really. How am I to  
99 know?  
100 **Male Manager:** How do you feel? When he said it to you, how do you feel? You know,  
101 when he said, it makes – it makes you want to self-harm or it makes him feel suicidal,  
102 how did you feel when he was saying it? Did you feel, you know, there was more concern?  
103 **Callum Tulley:** I felt like he was just venting off stress, but I don't know if that – I don't  
104 know what – how am I meant to know? [Inaudible].  
105 **Male Manager:** It's all based on how you feel. So if you feel like actually, this person's  
106 going to do harm to themselves, then yeah, you fell actually, [inaudible]. But if you feel  
107 actually, he's just saying, you know, this place makes me – then that's not really an ACDT.  
108 It's if you feel actually they're going to do harm to themselves. [Inaudible].  
109 **Callum Tulley:** He was quite animated but he wasn't saying oh, I'm going to harm myself.  
110 But he was saying this place makes you want to.  
111 **Male Manager:** So there's a couple of things you can do. You can open an ACDT.  
112 **Callum Tulley:** Yeah.  
113 **Male Manager:** Or, to ease your mind, you can just say to him, 'so, you know, when  
114 you said that [inaudible] did you actually want to harm yourself?' And it depends on  
115 what he says. And you can tell He doesn't want to harm himself.  
116 **Female Officer on radio:** All stations, all stations, please freeze movement and  
117 commence [inaudible].  
118 **Callum Tulley:** I'll just go ask – I'll go and ask him that now. Just [inaudible]. If he says,  
119 'Yeah, I am, then I'll work up an ACDT.  
120 **Male Manager:** Yeah. I could come up with you if you want?  
121 **Callum Tulley:** Is that all right, yeah?  
122 **Male Manager:** Yeah, that's all right. [Inaudible].  
123 **Callum Tulley:** Yeah, yeah. All right. Cool.  
124 **Detainee:** [Inaudible] she told me that she sent it already.  
125 **Callum Tulley:** oh sure  
126 **Male Manager:** [Inaudible]I've spoken to him a number of times It's more a case of  
127 venting than actually.  
128 **Callum Tulley:** All right. So you think he's all right.  
129 **Male Manger :** Yeah [inaudible].  
130 **Callum Tulley-** Alright cool.  
131 **Male Manager:** Yeah, he was in [inaudible].  
132 **Callum Tulley:** Cool, cool as long as you're happy then.  
133 **Male Manager:** Yeah [Inaudible] and I think he was on, he was on ACDT before.  
134 **Callum Tulley:** Umhh.  
135 **Male Manager:** Cause I done a couple of [inaudible] with him[inaudible] with him, two  
136 flights of stairs and I'm out of breath, and I done a couple[inaudible], his issues were  
137 [inaudible] and saying he wants to get out but I will put him in contact with[inaudible]who  
138 was working with him, so . Yeah, he goes up and down.  
139 **Callum Tulley:** Oh, right.  
140 **Male Manager:** Yeah, but he is alright.  
141 **Callum Tulley:** Oh, right. He's all right as long as – as long as you're happy.  
142 **Male Manager:** Yeah, I dealt with him a couple of times.  
143 **Callum Tulley:** Yeah, oh, he's all right. Cool. [Inaudible].  
144 **Male Manager:** And errm, the guy he is sharing with at the moment is quite good so he  
145 will let us know if any issues.  
146 **Callum Tulley:** Yeah oh he was alright. I thought he was alright.  
147 **Male Manager:** Yeah.  
148 **Callum Tulley:** Cool.  
149 **Louis:** [Inaudible].

150 **Male Manager:** He was an ACDC before. [Inaudible], errm two, three weeks ago  
151 **Louis:** Yeah.  
152 **Male Manager:** [Inaudible]  
153 **Callum Tulley:** Cheers. Cheers Conway.  
154 **Male Manager:** Thank you.  
155 **Louis:** [Inaudible] as a manager, bless him.  
156 **Callum Tulley:** As long as, you know, I've made the manager aware and he is happy.  
157 **Louis:** Yeah, yeah, yeah.  
158 **Callum Tulley:** I mean, I [inaudible] action to be taken.  
159 **Louis:** You can, if you want, explain that.  
160 **Callum Tulley:** Yeah, might do.  
161 **Louis:** [Inaudible] the motivation. [Inaudible] and it's on Conway. Conway went upstairs  
162 with him. [Inaudible]  
163 **Callum Tulley:** Yeah, no, it's all good. All right mate, cheers.

304 **Callum Tulley:** Literally, about five minutes ago, maybe not even that, some guy in the  
305 library just tried to take my keys from outside my pouch. So I put an SOR now, but.  
306 **Female Manager:** Why? What did he do?  
307 **Callum Tulley:** But I'm just letting you know, errm well, I was facing the sort of desk, I  
308 think I just gone through the door,  
309 **Female Manager:** Umhh.  
310 **Callum Tulley:** And I just felt this pulling on the keys, and turned around and he was  
311 fiddling with them.  
312 **Female Manager:** [Inaudible].  
313 **Jason Miller:** Do you know who he is?
