2 **Darren Thomsett:** Yeah, mate, [inaudible].  
3 **Unknown Detainee:** Yeah, you are sick. [Inaudible].  
4 **Darren Thomsett:** Mate, don't talk [inaudible] about me because you are worried -  
5 **Unknown Detainee:** You know, you have to be sick and -  
6 **Darren Thomsett:** Yeah.  
7 **Unknown Detainee:** You are actually sick -  
8 **Darren Thomsett:** I know, mate, the day I am fucking worried about you, so I might as well  
9 pack it in [inaudible] do one.  
10 **Unknown Detainee:** All right, all right. All right, big man. All right, big man.  
11 **Darren Thomsett:** Yeah.  
12 **Unknown Detainee:** You get me.  
13 **Darren Thomsett:** Yeah, absolutely.  
14 **Unknown Detainee:** All right, big man.  
15 **Darren Thomsett:** Just come in here, giving it all that, what is the matter with you?  
16 **Unknown Detainee:** I don't care, bro.  
17 **Darren Thomsett:** Well fucking do it on your own then. I don't want to do it, stop whining.  
18 **Unknown Detainee:** Well if you don't like it, don't come here, innit.  
19 **Darren Thomsett:** Well I don't - you're whining like a fucking girl.  
20 **Unknown Detainee:** I can't hear you.  
21 **Darren Thomsett:** It's dumb, innit? Moaning. Man up.  
22 **Unknown Detainee:** Well it's all you all do. You chat to me all shit, bro, you get me?  
23 **Darren Thomsett:** Well, you are the one that is doing it.  
24 **Unknown Detainee:** [Inaudible]. I don't get into arguments. It's you lot that's doing it -  
25 **Darren Thomsett:** That is because I don't listen to your fucking bollocks.  
26 **Unknown Detainee:** Prick. Fucking racist price. Look at you, you look like some EDL guy.  
27 Fucking dickhead. Racist prick. Shut up man. You get me? Fucking prick.  
28 **Male Officer 1:** Where is the racism coming in?  
29 **Unknown Detainee:** He is. He is a fucking [inaudible] prick.  
30 **Unknown Detainee:** It is not just me that argues with him, you know. You know how many  
31 black people I see argue with this bald prick? You get me? Man's with the fucking KKK, brother.  
32 Fucking prick. I come in here trying to have a normal conversation and you lot just like to - I  
33 don't know man, just like to... Any time the other officers are on, do you ever see me argue?  
34 **Callum Tulley:** I don't work on this wing.  
35 **Unknown Detainee:** But you been on this wing. You've been here when - you've been here  
36 when other people are being here. You understand? I wouldn't get it - I wouldn't get this with  
37 other people. But bruv, it's just simple things. If someone needs something so simple, then it's  
38 not hard and it's not coming out of you lots' money, so why is there an issue? It's just he don't  
39 want to get up and walk down and go get a football or pair of [inaudible] shorts. [Inaudible]  
40 What is so hard about that? You get me? When you are not paying for it like, come on.  
41 **Callum Tulley:** That's not the point. It doesn't work like that.  
42 **Unknown Detainee:** Hmm? [Inaudible] how is this thing going to work then? I fill it in and  
43 get something.  
44 **Callum Tulley:** Well, it is up to the manager to decide.

45 **Unknown Detainee:** Where is the manager?  
46 **Callum Tulley:** I don't know.  
47 **Unknown Detainee:** It was the same guy that tried to move me the other day, innit.  
48 **Callum Tulley:** I have no idea.  
49 **Unknown Detainee:** You need to have one manager on here, innit.

55 **Darren Thomsett:** Well, I thought you lot were doing quite well on you own. [Laughter] He is  
56 fucking doing my head in. Cunt.  
57 **Male Officer:** How is he not [inaudible]?  
58 **Darren Thomsett:** Fucking, he can't even speak – fucking spell.  
59 **Male Officer:** That is not him, is it?  
60 **Darren Thomsett:** Yeah, that goes right at the back of the fucking list.  
61 **Darren Thomsett:** If they check back, they won't – I won't give it him anyway.

67 **Sean Sayers:** He is quite well built. He is fit.  
68 **Yan Paschali:** [Inaudible].  
69 **Derek Murphy:** Ah, you's – you's will sort him out. Just go in hard and fucking fast.  
70 **Yan Paschali:** [Inaudible]. Dixie turned up and [inaudible]  
71 **Derek Murphy:** Listen, you want to get someone else, Dixie – fucking airhead, he'll tell  
72 someone else. Don't rely on Dixie for your fucking safety mate. That is all I'm saying.  
73 **Unknown Speaker:** [Inaudible].  
74 **Derek Murphy:** [Inaudible].  
75 **Yan Paschali:** Who's that [inaudible]?

80 **Sean Sayers:** You know I came in to grab those tea bags this morning? There was this Albanian  
81 – Romanian near the Artemis coffee. Came to you, got my tea bags and walked back in, as I  
82 walked back in he is fucking smashing his door backwards and forwards against the wall,  
83 slamming it, opening it up, getting –  
84 **Male Officer:** What, that little bell end on [OT?]?  
85 **Sean Sayers:** No, not him, the other one. Yeah. I said, what are you fucking doing? He said,  
86 well, I want coffee. I said 'are you fucking 3 years old?' He said 'oh, I just want a fucking coffee'.  
87 I said well you ain't fucking having no water, I just went and got you some, took it into the  
88 office. He came in like 'I'm really sorry'. I said no, fuck off, you're gonna act like a child, you're  
89 gonna be treated like one.  
90 **Unknown Speaker:** Yeah.  
91 **Sean Sayers:** [Inaudible]. But none of them have got any money, have they?  
92 **Unknown Speaker:** [Inaudible] but he got [inaudible].  
93 **Callum Tulley:** Do you know what [inaudible]?  
94 **Unknown Speaker:** Yeah, [inaudible].  
95 **Unknown Speaker:** Well I don't know, because they just switch – he does that, porn, they  
96 have got to switch the electrics off, having a porn party [inaudible] say that he heard him say  
97 he was going to take them hostage. I don't know now.  
98 **Unknown Speaker:** It's totally different [inaudible].

109 **Male Manager:** [Inaudible] a little bit fucking harder to get him out of a prison bed. And  
110 everybody is saying why has he been let out of prison? He is not [inaudible] and he gloats when  
111 he said they'd talk about him: Sensitive/Irrelevant and gloats about it.  
112 **Callum Tulley:** He said something about the Manchester attacks and all that.  
113 **Male Manager:** Yeah. So you would have thought they would be moving a bit quicker to get  
114 him fucking out of here. [Inaudible] on E-Wing. There's only [inaudible].  
115 **Callum Tulley:** All right, cool.  
116 **Male Manager:** Just [inaudible].  
117 **Callum Tulley:** Yeah, I also need to tell [inaudible] Dan's late to cover their and I will cover

122 **Callum Tulley:** It is just a waste of time.  
123 **Sean Sayers:** I was fucking getting myself all wound up. Now I am like – ready to go. Now I  
124 need -  
125 **Unknown Speaker:** Relax. Just lie, have a little snooze. Just chill.  
126 **Callum Tulley:** Yeah.  
127 **Unknown Speaker:** Yeah.  
128 **Male Officer 1:** Mate 9 times out of – there is nothing here that is going to trouble you guys.  
129 [Inaudible] imagine when I was in the [inaudible], same scenario and that. Governor would  
130 come in [inaudible] 'get G'd up boys', that's a different fucking kettle of fish. Doing like – I was  
131 going to say an undercut but that is an exaggeration. But you know like, your pretty worker? I  
132 would be fucking knocking that [inaudible], we were charged, sweating before we got there  
133 even. Eyes like that, just raging. [Inaudible]  
134 **Male Officer 2:** Was it – was it the wiry fuckers or was it the big ones?  
135 **Male Officer 1:** It was everything. People like him, people like him, people like him. Sometimes  
136 the small ones [inaudible]. Sometimes Floyd [?] –  
137 **Sean Sayers:** [Inaudible].  
138 **Male Officer 2:** That's what [inaudible].  
139 **Male Officer 1:** The little ones are the ones that will fucking shank you, do the whole –  
140 **Sean Sayers:** Seen the size of that guy – obviously, I am a big guy -  
141 **Male Officer 1:** Big boned.

146 **Unknown Speaker:** You know [inaudible].  
147 **Derek Murphy:** Do you know what I was thinking today?  
148 **Male Manager:** [Inaudible].  
149 **Unknown Speaker:** Yeah, that's it.  
150 **Derek Murphy:** At Room 20 the fire brigade had to be called here to cut a detainee out of his  
151 handcuffs.  
152 **Male Manager:** Huh?  
153 **Male Officer:** [Inaudible].  
154 **Derek Murphy:** They said – they said – the silly lad who [Inaudible] on the report [inaudible]  
155 he could not find the keys.  
156 **Unknown Speaker:** [Inaudible].  
157 **Callum Tulley:** What was that?  
158 **Male Manager:** You know, [inaudible].  
159 **Callum Tulley:** Huh.  
160 **Unknown Speaker:** [Inaudible].  
161 **Unknown Speaker:** [Inaudible].  
162 **Male Officer:** 'Oh, you have to be mindful, mindful'. You have to get the fire brigade to come  
163 out [inaudible] the handcuffs. It's not our fault is it? You know. It's faulty because [inaudible]  
164 handcuffs that have been here 10 years, you can't use them twice a day and then get the  
165 [inaudible].

170 **Television:** But it was the conflict in Syria that just massively wrapped up the terrorist plan.  
171 Hundreds of British Jihadists had gone to join the ranks to assemble the Islamic state.  
172 **Derek Murphy:** They shouldn't be allowed back in the country, mate.  
173 **Callum Tulley:** Where are they from?  
174 **Derek Murphy:** And if they come back, put them in internment camps.  
175 **Male Officer:** They're from Britain, mate. [Inaudible]  
176 **Callum Tulley:** Oh, born in Britain?  
177 **Derek Murphy:** Yeah, generation [inaudible]. They're all second generation.  
178 **Male Officer:** [Inaudible] in Russia.  
179 **Derek Murphy:** Put them in internment camps.  
180 **Television:** The government's preventive program is to steer people away from extremism  
181 before it's too late.  
182 **Callum Tulley:** What do you think the best way to deal with them is?  
183 **Derek Murphy:** Huh?  
184 **Callum Tulley:** What do you think the best way to deal with them, is?  
185 **Derek Murphy:** [Inaudible].  
186 **Callum Tulley:** Well, they just said he was known to the security services.  
187 **Derek Murphy:** Lock them up or fucking deport them, one of the two. And no -  
188 **Male Officer:** Yeah but they are going to get back, won't they?  
189 [Crosstalk]  
190 **Derek Murphy:** Well, what is the solution?  
191 **Male Officer:** Try bullets [inaudible]  
192 **Derek Murphy:** Oh, well that'd be an ideal solution [inaudible].  
193 **Callum Tulley:** Yeah, reality is, they are not going to allow that.  
194 **Male Officer:** [Inaudible] let them go to Syria. Get one of them [inaudible] locate their little  
195 chip, send a drone in. Delightful [?]. Job done. [Inaudible] British soil.  
196 **Derek Murphy:** Think about this. In 2009, ISIS broadcast to the world saying that we are  
197 going to kill you with our soldiers disguised as refugees, and they done it and the whole  
198 fucking - Europe, sat back and let it happen.  
199 **Male Officer:** Yeah, look what Germany did, let them all in [inaudible].  
200 **Derek Murphy:** [Inaudible]. Opened the floodgates to them. And refugees [inaudible] there  
201 were soldiers.

205 **Male Officer 1:** Can you hold this for me and put it down the stairs? [Hands over a shield]  
206 **Callum Tulley:** [Inaudible] the six?  
207 **Male Officer 1:** Watch your feet, watch your step.  
208 **Callum Tulley:** Don't slip.  
209 **Sean Sayers:** Do you want him in cuffs?  
210 **Callum Tulley:** Yeah, do you want him in cuffs?  
211 **Unknown Detainee:** I was told to pack. What is this about?  
212 **Sean Sayers:** [Inaudible]. They said that you refused to walk -  
213 **Unknown Detainee:** No, no, no, no, no I was told to pack, he said he was going to speak to  
214 you and then he will speak to me. Can you ask him? He'd tell you that.  
215 **Sean Sayers:** It's done now. We are going to take you to the escorts. Can you stay calm?  
216 **Unknown Detainee:** Yeah, that's fine.  
217 **Sean Sayers:** Gonna follow my instructions?  
218 **Speaker 2:** I am calm.  
219 **Sean Sayers:** Alright. Walk with me then. [Inaudible]  
220 **Unknown Detainee:** I am to walk. [Inaudible] I'm happy to walk, I don't get this, the officer  
221 said he was going to go and speak to you guys.  
222 **Sean Sayers:** Just walk downstairs.  
223 **Unknown Detainee:** Yeah, but what's with the camera though, I don't get it.  
224 **Sean Sayers:** It has to be done for everyone. It is for health and safety [inaudible].  
225 **Unknown Detainee:** This is so pathetic. I'm not refusing to move; the officer said he was  
226 going to speak to the escorts.  
227 **Derek Murphy:** Yeah but it has to be done [inaudible].  
228 **Unknown Detainee:** I beg your pardon?  
229 **Derek Murphy:** This is the way it has to be done.  
230 **Unknown Detainee:** Really?  
231 **Derek Murphy:** Yeah, honestly.  
232 **Unknown Detainee:** If you have to do this for someone who is not high risk, I wonder what  
233 you have to do for someone who is high risk. This is all showbiz, it's ridiculous. How many of  
234 you are here?  
235 **Unknown Officer:** [Inaudible]. Going to take you to [inaudible] and put you on a plane to  
236 wherever it is.  
237 **Unknown Detainee:** I said I'm from a place where I am from. What is that? Right? This is so  
238 ridiculous. I was born in [DPA] territory. I have a wife and kids in this  
239 country, I said I was born in [DPA]. You can't keep forcing me to [inaudible] asylum until 19<sup>th</sup>  
240 December. It is pathetic. Can you record that too, as well, please? You can't make me make an  
241 asylum interview just because I say I was born there. I was born there. You can't ask me things  
242 about the place.  
243 **Male Manager:** [Inaudible].  
244 **Callum Tulley:** [Inaudible].  
245

247  
248 **Ryan Bromley:** Came to this fucker next to me.  
249 **Sean Sayers:** DCI Bromley [inaudible].  
250 **Ryan Bromley:** He copied my name.  
251 **Callum Tulley:** Haha!  
252 **Ryan Bromley:** At least you got started on your name.  
253 **Callum Tulley:** Oh well. It's because your nerves get going, don't they? Don't think. Adrenaline  
254 starts to kick in.  
255 **Female Officer:** Who were you wrapping up?  
256 **Ryan Bromley:** **DX** on A Wing.  
257 **Callum Tulley:** Did he – did he resist? Because it sounded physical when you went in, but I  
258 didn't see what happened.  
259 **Ryan Bromley:** It was physical for about 5 seconds. And then it was just – honestly, after he  
260 got hit with the shield, his hands just went straight behind his back -  
261 **Callum Tulley:** Really?  
262 **Ryan Bromley:** And then all I had to do was a guided hold straight into – well, we brought him  
263 up. We didn't even put the cuffs on him, did we? Just go guided hold all the way down.  
264 **Callum Tulley:** And TASCOR – did it go alright with TASCOR? Because he started yapping,  
265 didn't he?  
266 **Sean Sayers:** He was gassing shit.  
267 **Ryan Bromley:** We were just standing there, just sweating. Were you sweating?  
268 **Sean Sayers:** Yeah, loads.  
269 **Callum Tulley:** Oh well, got the job done.  
270  
271 [END OF TRANSCRIPT]

**V201706050018**

272  
273 **Callum Tulley:** [Inaudible]. What happened?  
274 **Detainee 1:** I don't know; they're don't want to give me my tablets. And this guy is start  
275 abusing me, 'oh fuck you, fuck you.' I said, okay, you go fuck, [inaudible].  
276 **Callum Tulley:** Be good, be good. The manager did say you should go back onto your wing.  
277 You are on C wing, aren't you?  
278 **Detainee 1:** C wing. But I'd like to stand here.  
279 **Callum Tulley:** It would be helpful if you went back onto your wing because if he comes out,  
280 it will lead to confrontation, doesn't it?  
281 **Detainee 1:** [Inaudible].  
282 **Callum Tulley:** I'm not telling you, I'm just asking you.  
283 **Detainee 1:** Confrontation with who?  
284 **Callum Tulley:** If he comes out from healthcare now.  
285 **Detainee 1:** You think I will – he think I will let someone abuse me?  
286 **Callum Tulley:** Exactly, I don't think he will, that's why I [inaudible].  
287 **Detainee 1:** [Inaudible]. Yeah.  
288 **Callum Tulley:** Lads, lads, lads. Fellas, fellas, fellas. Get back, get back. [Detainee 1 and  
289 another detainee are facing up to each other in the corridor and exchange blows. Officers quickly  
290 separate the men.]  
291 **Female Officer:** [Inaudible].  
292 **David Aldis:** Callum, Callum.  
293 **Callum Tulley:** Oy, get off him.  
294 **Detainee 1:** [Inaudible].  
295 **Callum Tulley:** [Inaudible].  
296 [Crosstalk]  
297 **Detainee 1:** What?  
298 **Callum Tulley:** That's why I asked you to go back on to your wing.  
299 **Detainee 1:** [Inaudible].  
300 **Male Officer:** [Inaudible].  
301 **Callum Tulley:** I don't know why that was just left to happen like that.  
302 [Crosstalk]  
303 **David Aldis:** [Inaudible] whether he has pushed you or you pushed him, it doesn't really  
304 matter. Yeah, but, what's happened -  
305 **Detainee 1:** Officer, you don't know what's happened.  
306 **David Aldis:** No, no, I don't, but -  
307 **Detainee 1:** You don't know. He was there. He just -  
308 **Callum Tulley:** I did say to you to come onto the wing so you all that could be avoided.  
309 **Detainee 1:** But you don't know what happened before.  
310 **Callum Tulley:** I know but there was obviously some sort of disagreement.  
311 **David Aldis:** [Inaudible]. Listen to me. [Inaudible] put you both down the block, let's just say.  
312 [Inaudible] it is not going to stop repercussions happening another day. But [inaudible], you  
313 are a reasonable guy. I don't know what has happened. But the thing is -  
314 **Detainee 1:** Just tell me because I need to understand [inaudible].  
315 **David Aldis:** So what's happened?  
316 **Callum Tulley:** They just had some altercation in healthcare, they were treating them both,  
317 and then they were both allowed out of healthcare onto association and they obviously met up.  
318 [Crosstalk]

320  
321 **Dan Lake:** He's going 'you fucking want some?'

322 **Callum Tulley:** What was he saying?

323 **Dan Lake:** Geezer come in from C Wing, he is pulling a curtain [Inaudible] and Darren just  
324 had a go at him like you wouldn't believe.

325 **Dan Small:** You could either tell him 'okay I will get you a curtain from the spare room that  
326 we have' or 'no we don't have any, I'm afraid'. But Darren – he's losing the plot man.

327 **Callum Tulley:** Who is this [D381]?

328 **Dan Small:** Jamaican. Skinny, small one.

329 **Callum Tulley:** What did he say? What did he say to you?

330 **Dan Small:** I can't remember what it was.

331 **Dan Lake:** He went nuts. He went 'you ain't fucking having one, they are for this week' -

332 **Dan Small:** [D381] even came up to me and asked 'is he on something? Because all I asked  
333 for was a curtain.'

334 **Dan Lake:** It was so extreme.

335 **Callum Tulley:** Was it? I was in there, I was in the office this morning, and this detainee was  
336 basically kicking up the [inaudible] because he wasn't being given boxers, and then he  
337 wanted socks and we weren't giving him socks either. And then him and Darren squared up to  
338 each other. And Darren was like, 'Oh yeah you think I'm scared of you? You think I'm scared  
339 of you, do you?' [Laughter]. I'm thinking Darren, mate, what are you doing?

340 **Dan Small:** We were doing a [inaudible] list, and Darren was looking at one fella and the  
341 fella was looking at Darren and he said, 'Do you want to kiss me or something?' Out of  
342 nowhere, 'Do you want to fucking kiss me?' Literally. I said, 'What the fuck is going on?'

343 **Dan Lake:** [Inaudible] He is the sort of guy, I might have said to you, he will go home and  
344 when the TV remote runs out of battery he will argue with that and all [laughter]. He's a  
345 fucking nutter, bro, he's completely lost the plot. **Sensitive/Irrelevant**

346 **Callum Tulley:** He was going to the detainee, he goes 'the day I'm scared of you, mate, is  
347 the day I got to pack it in, I tell you'. [Laughter]

348 **Dan Lake:** **Sensitive/Irrelevant**

349 **Sensitive/Irrelevant**

350 **Dan Small:** Do you reckon he is in his mirror, every day, just fucking talking to himself.

351 **Dan Lake:** Yes, he's fucked.

352 **Callum Tulley:** But sometimes, he's like in an amazing mood, and it's just like, you can't -

353 **Dan Lake:** He is a raving nutter, is what he is.

354 **Dan Small:** Bipolar boy.

355 **Dan Lake:** Yeah but you can't [inaudible]. I had one on A wing that time and it was decent, I  
356 had a good time on A wing. I was going to move there.

357 **Callum Tulley:** If you were moved to B wing, you'll be working with Darren every day.

358 **Dan Small:** I know. You'll get stabbed at some point.

359 **Callum Tulley:** I don't know how he's not got in a scrap before, personally, but I suppose  
360 you wouldn't really want to pick a fight with him, would you?

361 **Dan Small:** What he does is he will argue with them and then bin them off.

362 **Dan Lake:** Yeah, definitely, he winds them up and then sends them out.

363 **Callum Tulley:** Oh, yeah, true, actually, you just made me realise that. Like the detainee  
364 earlier, he was just like yeah, go on, and fuck off, fuck off.

365 **Dan Lake:** [Inaudible]. We were [inaudible] about [D381] He wound him right up and sent off  
366 the wing, and [D381] went off the wing and that was it. And Darren went back to his job like,  
367 like that 'naughty, back to work'. [Laughter]. Fucking nutter. This line. On Activities this line  
368 is like fucking gold dust in this place. Seriously is.  
369 **Callum Tulley:** Just like that. Don't know how lucky we are.  
370 **Dan Small:** [Inaudible].
