56 **Callum Tulley:** Really?
57 **Gayatri Mehraa:** Big time. Staff is not vigilant. They're just going to sit there. You think its
58 Chessington Park for you, so you're sitting behind the desk chatting, chatting, chatting.
59 [Inaudible]. Oh, officer, can I go to the toilet? Yeah, yeah, go. No problem. You're not going
60 to see one coming or one going or following him or watching him. So he is far, he is gone in
61 the centre. Of, course eighty percent. Staff doesn't know what they are doing anyway. Of
62 course, including you.
63 **Callum Tulley:** Oi.
64 **Gayatri Mehraa:** Idiot. Stupid. Let us sit down now. I've had enough of you. Let us sit down
65 and chat.
66 **Callum Tulley:** Let me get this.
