847 not – he hasn't kicked anyone. It's not so I wasn't sure.

848 **Callum Tulley:** Never know what he might do though. Better to be proactive rather than  
849 reactive. –

850 **Gus (full name unknown – male officer):** [Inaudible] people are in there.

880 wing corridor.  
881 **David Webb:** Yeah. -  
882 **Alice Brown:** As he dropped it, he went forward, so I was backed up against C wing wall. I  
883 fell like this, fucking hurt, and his head fell here [inaudible] I was like this.  
884 **Dave Webb:** Breathe breathe.  
885 **Alice Brown:** He wouldn't walk, he wouldn't walk. [Inaudible] his arms were too short, I was

890 There's like, there's some really stinky mackerel sauce all over my bag. And now my bag  
891 stinks.

898 **Yan Paschali:** [Inaudible].

984 to go in his room and smoke it all. Technically, it could get him, I think that's why they - say  
985 they do spice, you got to do a full search.986 **Yan Paschali:** [Inaudible].987 **Unknown Male Staff:** Yeah, you got that.988 **Yan Paschali:** That was really easy [inaudible].989 **Dave Webb:** [Inaudible]. 1002

**Unknown Male Staff:** He hasn't told [D1914] [inaudible] removal.

1003

**David Webb:** Eh?

1004

**Sean Sayers:** He hasn't told [D1914] [inaudible] moving, it's his roommate.

1005

**Dave Webb?:** His roommate's a really good mate of his that he's been with for a long time.

1006

He's probably told him. He's probably [inaudible] smoking his tits off as we speak.

1007

**Yan Paschali:** Well listen, we burst in [inaudible] heart attack [inaudible] touch him

1008

[inaudible].

1009

[Several officers speaking other each other – inaudible]

1010

**Unknown Male Staff:** His solicitor has basically [inaudible].

1011

**Dave Webb:** If he grabs his chest, anything like that, just healthcare. Unless he's being a

1012

dick and kicking out and being violent then.

1013

**Callum Tulley:** So we stop at that point.

1014

**Dave Webb:** [Inaudible] collapse or pretends to collapse. Even when you're doing it, they are

1015

wrapping him up and he goes all floppy and that [inaudible] medical.

1016

**Alice Brown:** Medical emergency.

1017

**Dave Webb:** Medical emergency. Just fucking lays down [inaudible].

**V2017052700019CLIP5**1028 **Steve Loughton:** Just in case [inaudible] when he goes [inaudible].

1029 [Inaudible cross-chatter]

1030 **Male Officer:** [Inaudible]. Okay so who's, 1,2,3,4.1031 **Callum Tulley:** Am not [inaudible].1032 **Steve Dix:** So you will be for [D1914] the major person and everyone else, his roommate

1033 won't be [inaudible], he already knows what's going on.

1034 **Yan Paschali:** Are we going to pull his roommate out first?1035 **Steve Dix:** Cause he is in a disabled room, obstructed by a shower area, the plan is you  
1036 going to open the door, go in and you stand by [D1914], and I will come up behind you.1037 **Yan Paschali:** [Inaudible], apparently he's compliant.1038 **Steve Dix:** Yeah no he is and he will, but we're concerned because of his self-harm history,

1039 as soon as we call the room-mate out, if he [inaudible] we're going to do something. So we're

1040 just going to open the door, you lot go in, stand by his bed, I'll go in behind you and then

1041 Shane and Knobby can deal with his room-mate, and just get him to come out, walk out.

1042 Yeah?

1043 **Yan Paschali:** So we're not going to take a shield in there.1044 **Steve Dix :** No you will.1045 **Alice Brown:** Complicated [inaudible].1046 **Callum Tulley:** I'm confused. **Steve Dix:** Yeah.1047 **Dave Webb:** So you're saying we go in, stand there by the bed? Are we going in, holding him  
1048 on the bed with a shield?1049 **Steve Dix:** No, he's gonna stand in front of him, to stop him from doing anything to himself,

1050 and then I will direct it, and then if he doesn't come we just carry on like normal, and then

1051 the second team, with Knobby and Shane will get him out, and then we'll go from there.

1052 Because the view is obstructed, me and Knobby were saying, if we pull the room-mate out

1053 first, he's prolific self-harmer, so if we try and pull the room-mate out first, if he's got

1054 something on him, he's obviously gonna cut up or something like that, so we're trying to stop

1055 all that by just opening the door, go in, you go and stand by in front of him.

1056 **David Webb:** You know the room is a big room got shower curtains.1057 **Steve Dix:** And also, because it's [inaudible] we don't know what he's gonna do.1058 **Callum Tulley:** So am I going to make contact with him with the shield then?1059 **Steve Dix:** No.1060 **Callum Tulley:** All right.1061 **Steve Dix:** You're literally gonna stand in front of him to stop him from doing anything

1062 [inaudible].

1063

1064 **Callum Tulley:** I don't understand. What's the point of the shield then?1065 **Dave Webb:** Have you got a pen?1066 **Steve Dix:** Because it's part of the PPE.1067 **Callum Tulley:** Okay. Cool.1068 **Steve Loughton :** Cally, you're going in, he's gonna be on a bed probably, just going round

1069 the corner, if you could be in front of ya, stand with the shield, Dixie will talk to him, just to

1070 stop him coming in.

1071 **David Webb:** [Inaudible].1072 **Callum Tulley:** Alright understood. Yeah. Cool, man. No worries.

1073 **Steve Loughton** Dixie's gonna talk to him, then if he makes any sudden movements he can  
1074 say take him.  
1075 **Callum Tulley**: Okay, okay.  
1076 **Male Officer**: [Inaudible].  
1077 **Steve Loughton**: In the mean time, the geezer in front of us has already said he's got  
1078 nothing to do with it, he's got down [inaudible].  
1079 **Callum Tulley**: If he tries anything funny, then I use the shield on him. Is that right?  
1080 **Steve Dix**: Anything you feel or anything Yan feels or anything like that, and I miss it, then  
1081 you just deal with it as normal.  
1082 **Callum Tulley**: Okay, sure. No worries. As long as I know.  
1083 **Steve Dix**: At the end of the day you lot have got to justify it [inaudible].  
1084 **Callum Tulley**: Yeah, okay.  
1085 **Steve Dix**: [Inaudible].  
1086 **Callum Tulley**: Obviously I'm not going to be.  
1087 **Steve Loughton**: Imagine him on the Titanic [inaudible] fuck you lot, I'm off.  
1088 [Callum Tulley laughin]  
1089 **Steve Loughton** : Are you happy mate, seriously, yeah? You alright? [Inaudible].  
1090 **Callum Tulley**: Yeah. As long as I don't get accused of being too half.  
1091 **Steve Loughton**: [Inaudible] we will get this geezer out as quick as possible [inaudible].  
1092 We'll get this geezer out, we're gonna take him.  
1093 **Sean Sayers**: [Inaudible], honestly I don't think he would do that [inaudible].  
1094 **Steve Loughton**: Dixie lets sort this out once and for all, alright. So they're going in with the  
1095 first team, stand to the right, with the geezer in the bed. The other team go in.  
1096 **Yan Paschali**: [Inaudible] because basically my back and their all their backs we are gonna  
1097 be like this, he decides to jump through them [inaudible]. So let them in as well so while were  
1098 doing that.  
1099 **Dave Webb**: [Inaudible].  
1100 **Steve Loughton**: [Inaudible] we did say that. The two teams go in, paired like that facing  
1101 the beds. Yeah, me and Sean, Shane get these geezer out as out as quickly as possible, you  
1102 four going to walk him through into D wing office.  
1103 **Yan Paschali**: Okay.  
1104 **Steve Loughton**: Cos then he's off the wing so he is not gonna be coming out though.  
1105 **Sean Sayers**: D Wing office.  
1106 **Steve Loughton**: Yeah, D wing office.  
1107 **Steve Dix**: I've spoken to the roommate and he says [inaudible].  
1108 **Steve Loughton**: They have got a tendency to lie Dixie.  
1109 **Dave Webb**: Well, they don't always the truth.  
1110 **Steve Dix**: He is a paid worker.  
1111 **Steve Loughton**: [Inaudible].  
1112 **Callum Tulley**: Knobby, as long as I don't get accused of being too half-hearted with the  
1113 shields, then I'm alright.  
1114 **Steve Loughton**: Listen, alright. You're gonna have Yan and Dave behind you. Obviously –  
1115 who's the fourth? You'll [to different officer] stay out the room. Who is four of you? There is  
1116 four of you.  
1117 [Inaudible Cross Chatter].  
1118 **Steve Loughton**: There is eight people here two teams of four three. [Inaudible] on the  
1119 shield.

1120 **Unknown Male Staff:** I will go in and talk to him.  
1121 **Dave Webb:** [Inaudible].  
1122 **Callum Tulley:** This is mine.  
1123 **Dave Webb:** [Inaudible].  
1124 **Steve Loughton:** [Inaudible] staying outside. So [inaudible] your going in to the right, stand  
1125 there like that [imitates holding a shield up]. It stops him fucking about.  
1126 **Callum Tulley:** Yeah, understood.  
1127 **Steve Loughton:** Yan will probably push you into him anyway.  
1128 **David Webb:** Alice is our four.  
1129 **Callum Tulley:** All right. Yeah, Yan. I prefer - I was given some sort of indication as to what  
1130 to do, because it's probably my first time using the shield, eh?  
1131 **Steve Loughton:** You've got Yan and Dave.  
1132 **Callum Tulley:** Cool. Cool. Cool. Happy days.  
1133 **Yan Paschali:** [Inaudible]. Immobilise him, drop the shield grab his head as soon.  
1134 **Callum Tulley:** All right. Cool. Cool.  
1135 **Dave Webb:** As soon as you [inaudible] hands on, don't do it while we haven't got him  
1136 [inaudible] as soon as we get hold of the arms, get rid of that shield as soon as you can.  
1137 **Steve Dix [?]:** Depends what they say, if they say give them space [inaudible].  
1138 **Steve Loughton:** [Inaudible].  
1139 **Unknown Male Staff:** Anyone else there that knows him, Dixie does. [Inaudible] yeah we  
1140 know what we're doing. You sorted now [inaudible].  
1141 **Callum Tulley:** Yeah, I know what I'm doing now.  
1142 **Dave Webb:** [Inaudible] tell you.  
1143 **Callum Tulley:** Okay, cool. I'm just going to wait for someone else to give me some sort of  
1144 indication, I don't want to make that call to be honest.  
1145 **Yan Paschali:** [Inaudible]. Ain't got the briefing mate.  
1146 [Inaudible cross-chatter]  
1147 **Steve Dix:** Right you ready? This briefing is long.
