 620 **Steve Webb** - [inaudible]
 621 **Callum Tulley** - Nah, he just keeps putting things up.

 623 **Unknown** - [inaudible]
 624 **D728** - [inaudible] I don't know how they fucking think I'm going to sleep
 625 [inaudible]
 626 **Callum Tulley** - I must have done this about 25 times now
 627 **Stephen** - **D728**
 628 **D728** - [inaudible].
 629 **Stephen** - Pardon?
 630 **D728** - [Inaudible], I'm allowed to smoke. Why am I not allowed to smoke? I
 631 can't be...
 632 **Stephen** - Is it just tobacco?
 633 **D728** - I told you, [Inaudible]
 634 **Stephen** - Listen to me. Have you got tobacco?
 635 **D728** - No, I've got [inaudible] that's why I need to go shop.
 636 **Stephen** - Would you like one of my cigarettes?
 637 **D728** - Yes please, I
 638 **Stephen** - If you put anything up there again.
 639 **D728** [Inaudible]
 640 **Stephen** - You won't get the nice [inaudible], alright?
 641 **D728** [Inaudible]
 642 **Stephen** - [inaudible], I have a cigarette for you.
 643 **D728** - Can I have a cigarette please.
 644 **Stephen** - Cool. Thank you.
 645 **D728** - I like it.

646 **Radio** - [inaudible]
 647 **Stephen** - See, you actually behave, Why did you break half of it off?
 648 **D728** - I will save it for later.
 649 **Stephen** - Alright. If you actually behave, you'll get all of this back.
 650 **Stephen** - And you'll have a shower as soon as you stop
 651 **D728** - [inaudible] If somebody try to take his life, it's no reason for him to go
 652 in solitary confinement. You should have put me on constant, no solitary confinement
 653 **Stephen** - Mate, I wasn't here. Well I was here but I didn't make the decision yesterday.
 654 **D728** - How can he be punished for trying to take his life? [Inaudible]
 655 **Stephen** - Well, You can be punished for going on the netting
 656 **D728** - Nah, nah, the whole reason I've gone on the net is to hang myself on
 657 the net.
 658 **Stephen** - Well you can't hang yourself on the net
 659 **D728** - Well of course you can. At the end of the day. If you put a rope and you
 660 jump you can hang yourself
 661 **Stephen** - So why d'you wanna hang yourself?
 662 **D728** - Because I don't want to live without my meds. I'm not feel I've been
 663 taking for 10 years.
 664 **Stephen** - So what happened with your meds?
 665 **D728** - I didn't have no medication for more than 80 hours.
 666 **Stephen** - Why?
 667 **D728** - That I don't know. I'm not
 668 **Stephen** - So now
 669 **D728** - And every day I go there. Not one day.
 670 **D728** - I can understand one day. I've been there four days. No medication.
 671 **Stephen** - So what's the reason they gave you?
 672 **D728** - They told me the doctor forget it. To prescribe something like that. How
 673 can he forget? He's been very integrated into his job, huh? How can he possibly forget?
 674 **Stephen** - Because everyone's human. All, everyone makes mistakes sometimes.
 675 **D728** - I've come off four days, I keep telling you, since the doctor [inaudible]
 676 **Stephen** - Right. I don't know. Do me a favour.
 677 **D728** - The way I look at it, it's conspiracy. These guys [Inaudible]
 678 **Stephen** - **D728** do me a favour.
 679 **D728** - [inaudible]
 680 **Stephen** - **D728** listen to me. Do me a favour.
 681 **Stephen** - Keep your nose clean, ok? [Inaudible]
 682 **D728** - I've never had an issue in this building here. The problem I have is, Can
 683 I have my meds please? No? Why? Give me a reason. The Doctor Forget.
 684 For 4 days, I've been reminding the doc to prescribe me some meds. So when they speak to
 685 the doctor, he's going to do his job. But what I will I'm the one who's taking them. He won't
 686 do it.
 687 **Stephen** - So what's easiest then? Speak to the [inaudible] manager?
 688 **D728** - I spoke to everyone.
 689 **Stephen** - Which
 690 **D728** - Yet, I have this, this.
 691 **Stephen** - Which wing were you on?
 692 **D728** - I'm on A Wing. Some black man was on yesterday, yeah. These guys,
 693 I've spoken with them. They don't do nothing about it, [inaudible]
 694 **Stephen** - Manager? There wasn't a black manager in yesterday
 695 **D728** - There was a black manager yesterday. He refused [inaudible] and I told
 696 him to take me off [inaudible]
 697 **Stephen** - Ah he wasn't from here. He wasn't the A Wing manager.
 698 **D728** - [inaudible]
 699 **Stephen** - Yeah, he wasn't the A Wing manager, mate. All right? He was actually assigned to
 700 **D728** - Oh it's as simple as that?
 701 **Stephen** - [inaudible]

702 **D728** - I'm on [inaudible]. I am on mental health issues here. These
703 medications stop me hearing voices. If I get too depressed, I can't control my feeling. I will
704 hang myself. Simple. That's the doctor, these, the doctors in here, they're not doctors.
705 Stephen - Well, do me a favour, ok? If it happens again, speak to an officer that can actually
706 help you.
707 **D728** - [inaudible]
708 **Stephen** - You, you know the officers that you can trust, don't you.
709 **D728** - But I [Inaudible] Stephen - You should do by now. But I spoke with
710 anyone who's wearing a uniform. That's the only way I can compare by G4. There's a lot of
711 people you see every day on duty, with the G4 officers.
712 **Stephen** - Yeah. Well next time, okay. If I'm in speak to me.
713 **D728** - Okay
714 **Stephen** - And I'll sort it out
715 **D728** - It's not that I was going out and making trouble. I didn't do nothing. All
716 I want is my meds. And then, he put me in solitary confinement.
717 **Stephen** - Well, that's the job for the men.
718 **D728** - But that night [inaudible] I put something on my neck I wanted to kill
719 myself. [Inaudible] Some Indian guy, Asian guy said, 'Stop him'.
720 **Stephen** - Right. Well, let's separate the two things. Yes you tried to harm yourself, Okay.
721 That's horrible. But that's all because of your medications.
722 **D728** - But, but
723 **Stephen** - The other side of the coin is you
