Callum Tulley: Was you, was you around for that restraint that [Inaudible]
Officer 'Michael': What on D-wing?
Callum Tulley: The one on **D1527** yeah. The one on **D1527** on E-Wing, that day.
[Inaudible]
Officer 'Michael': Erm no what happened? Oh shit yeah, he fucking tried to swallow the
battery didn't he, put a ligature round his neck. Where's erm, where is **D68**, is he on A?
Callum Tulley: I don't know where **D68** is [Inaudible]
Detained person 1: [Inaudible]
Callum Tulley: Eh?
Detained person 1: [Inaudible] please.
Callum Tulley: [Inaudible] you'll have to wait till one thirty.
Detained person 2: [Inaudible]
Officer 'Michael': Bail form? Do you know where a bail form is?
Callum Tulley: Yeah you get them from the library mate, you'll have to wait till one thirty.
Officer 'Michael': Wait till one thirty, then head for the library yeah.
Detained person 2: [Inaudible]
Callum Tulley: Yeah it was mad mate, Yan started doing his prison stuff on him.
Officer 'Michael': What?
Callum Tulley: Yan started doing this prison stuff on **D1527** On that restraint -
Detained person 3: [Approaches Callum and Michael to say hello] Bad boys on the wing,
yeah?
Officer 'Michael': What's happening buddy, you good? [Michael and the detained person fist
bump]
Detained person 3: [Inaudible] no. [Michael and the detained person laugh]
Officer 'Michael': [Returns speaking to Callum] They tryna do [shakes his head] - These
two wings are a nightmare at the moment.
Callum Tulley: Huh?
Officer 'Michael': Its these two wings that are a nightmare at the moment.
Callum Tulley: I'm [Inaudible] gotta say.
Officer 'Michael': Are you going to be based down here permanently now?
Callum Tulley: No I'm just down here for breaks.
Officer 'Michael': No, I mean are you at Brook or are you at Tinsley?
Callum Tulley: No [Inaudible] what about you?
Officer 'Michael': I was originally at Ceaders [?] but I come over here and I'm going to be
Res manager.
Callum Tulley: Decent mate
Officer 'Michael': Yeah, so these are the wings I'm gonna be taking care of.
Callum Tulley: So you're going to be in a white shirt.
Officer 'Michael': Yeah
Callum Tulley: Oh nice.
Officer 'Michael': Just waiting for it to come through they haven't fucking ordered it yet,
have they. This is what I mean, I would be able to run this a hell of a lot easier if I had a

61 white shirt. I'm fresh faced anyway, I come up to them in a blue shirt and they turn around
62 and tell me to go fuck myself.

63 **Callum Tulley:** Yeah, because they think you are new, don't they? I thought you was new as
64 well to be fair.

65 **Officer 'Michael':** No no I worked at Tinsley and over at Ceaders [?]

66 **Callum Tulley:** Oh well that will be decent then mate.

67 **Officer 'Michael':** Yeah. Yeah. Should be fun. You see the fight on the weekend?

68 **Callum Tulley:** Nah I saw some of the bits [Inaudible] I didn't think it would take eleven
69 rounds though. The longer it would go on I thought the more chance Klitschko [inaudible]

70 **Officer 'Michael':** [Inaudible] good job [Inaudible]

71 **Callum Tulley:** Yeah it was a good fight to be fair. Proper entertaining.

72 **Officer 'Michael':** Very good.

73 **Callum Tulley:** How come you come up here and not at Tinsley?

74 **Officer 'Michael':** I was originally asked for Tinsley and I got given Tinsley as a DCO, then I
75 went for an interview as a DCM and I come here on a secondment role here. So I could only
76 be here for about six months. But its experience it's a bit of cash.

77 **Callum Tulley:** Absolutely. The wing is in a little bit of a mess you know what I mean.

78 **Officer 'Michael':** [Inaudible]

79 **Callum Tulley:** Eh?

80 **Officer 'Michael':** [Inaudible]

81 **Callum Tulley:** What him? He is always last to bang up. Always last to bang up. It's like, it
82 was bang up this afternoon [Inaudible] and then he comes and pushes in.

83 **Detained person 4:** [Inaudible]

84 **Callum Tulley:** Sorry? Just give us till one thirty.

85 **Officer 'Michael':** Wait till one thirty.

86 **Callum Tulley:** Twenty minutes, its closed now. Just annoys me how he thinks he can push
87 in front.

Yeah, he hasn't showered in three days.100 **Male Officer 1:** [Inaudible 00:02:06:12]101 **Male Officer 2:** Neither's Graham though.102 **Female Officer 1:** He's disgusting.103 **Unknown officer:** Who hasn't had a shower?104 **Female Officer 1:** [D102] ? 00:02:11:22].105 **Unknown officer:** What did he do?106 **Callum Tulley:** [D102]107 **Female Officer 1:** [D102] he hasn't showered in three days. Look at him. He has –108 **Callum Tulley:** I thought you were talking about [D102] in the gatehouse. I thought that's a
109 bit harsh.110 **Female Officer 1:** – a slipper on one foot, a flip-flop on the other. He's got his t-shirt on
111 inside out, and it's dirty. It's the same one he's been wearing three days. I said, 'Have you
112 showered?' And he went, 'no [Inaudible 00:02:28:20]'.113 **Male Officer 1:** Does he know where the shower is?114 **Female Officer 1:** Yeah.115 **Unknown officer:** Of course.116 **Female Officer 1:** He does it – he does it at quarter-past-nine most nights.117 **Callum Tulley:** Quarter-past-nine.118 **Male Officer 3:** He must feel sticky.119 **Unknown Speaker:** Yeah.120 **Female Officer 1:** Well, I don't think the spice [inaudible 00:02:40:07]. They wouldn't take him. The pilot said he's not fit to fly.133 **Callum Tulley:** Really?134 **Female Officer 1:** Yeah. He didn't even know who I was when I talked to him.135 **Callum Tulley:** Right.

136 **Female Officer 1:** But he came back, and he –
137 **Callum Tulley:** Because he was saying to me – he was saying to me it's because they
138 messed up his paperwork or something, putting an injunction in.
139 **Female Officer 1:** No.
140 **Callum Tulley:** Was he off his nut when he got
141 **Female Officer 1:** He was off his nut.
142 **Callum Tulley:** Really?
143 **Female Officer 1:** He came back, and he went, 'I didn't know you were working today.' I
144 said, 'I discharged you.' He went, 'Oh, I didn't see you.' I said, 'I spoke to you.' He went,
145 'Oh, I don't remember.' I said, 'I'm not surprised.'
146 **Male Officer 4:** That [D5106] is the worst one, he can't even walk.
147 **Unknown Officer:** [Inaudible 00:03:24:20].
148 **Female Officer 1:** He's sat in the chair in [D102] room, he goes...

191 **Callum Tulley:** Did they – nothing – there was nothing – there – you didn't hear anything of
192 the incident we attended last week, of [D1527]s, did you? Sorry to interrupt.
193 **Jo Buss:** [D1527]? Oh, when he climbed up –
194 **Callum Tulley:** E wing
195 **Jo Buss:** He was climbing up the doors?
196 **Callum Tulley:** Yeah.
197 **Jo Buss:** No. Why?
198 **Callum Tulley:** No, no. It's all right, then.
199 **Jo Buss:** Why?
200 **Callum Tulley:** No, because he was allowed back onto – onto D Wing, and I just thought
201 there would have been some sort of like confrontation with staff, because sometimes after an
202 incident – do you know what I mean? – they don't appear back on – they sometimes ship
203 them out, so. But I haven't heard anything from it.
204 **Jo Buss:** I don't know where he is. Is he on D Wing?
205 **Callum Tulley:** Yeah, he's been put onto D Wing, so –
206 **Jo Buss:** Right.
207 **Speaker 1:** Was he taking spice, did he?
208 **Jo Buss:** No.
209 **Callum Tulley:** No, no.
210 **Jo Buss:** Never seen anything like it. You know the observation door on E Wing? His feet
211 were going up – up the door, fucks sake.
212 **Callum Tulley:** No, I, like – because just personally, [inaudible 00:06:48:14], because, you
213 know, we were like involved in that incident. And then –
214 **Jo Buss:** Yeah.
215 **Callum Tulley:** – we weren't even told he was going to be back, allowed onto the wing.
216 **Jo Buss:** Yeah, after all that. That was a spectacular [inaudible 00:06:57:20].
217 **Callum Tulley:** Because like – but I suppose if you haven't – have you – well, we've never
218 been told anything of it, even if you've not been either.
219 **Jo Buss:** What time did – actually, what time did we finish that incident?
220 **Callum Tulley:** I don't know, maybe quarter-past-eight, half-eight? It was quite –
221 **Jo Buss:** Yeah. Thank you. I must put that on my timesheet. I'll put that on.
222 **Callum Tulley:** Towards [inaudible 00:07:12:20].
223 **Officer 1:** What was that? He – what happened then? What –
224 **Callum Tulley:** He was – he was – he didn't – like he was trying to swallow a battery. He
225 tried to strangle himself.
226 **Jo Buss:** Strangling, yeah, but a phone battery at the – those flat – a Nokia battery that he
227 wanted to swallow. But he self-strangled, then he went up the door, then he had a
228 massive hissy fit on the floor. And apparently, a couple of hours later, he was as right as
229 rain.
230 **Callum Tulley:** Yeah.
231 **Officer 1:** Was there a comeback on it then, or something?
232 **Jo Buss:** No, no.
233 **Callum Tulley:** No, no. I just think after an incident of that sort of nature –
234 **Jo Buss:** Yeah.

235 **Callum Tulley:** – sometimes they – they would ship someone out; they wouldn't have them
236 mingling with staff again. But, obviously, so I just wanted to check with you because none of
237 us heard anything. Clayton hasn't, Yan hasn't, so I think [inaudible 00:07:56:21].

238 **Jo Buss:** No.

242 **Ryan Bromley:** It's –
243 **Male Officer 1:** That's a fucking joke, isn't it?
244 **Ryan Bromley:** It's a joke, isn't it?
245 **Male Officer 2:** That's ridiculous.
246 **Ryan Bromley:** You should have heard it. It's all on camera.
247 **Unknown Officer:** It's a piss take, absolutely piss take.
248 **Callum Tulley:** What happened?
249 **Male Officer 3:** What about [D5107]? 00:00:06:03].
250 **Speaker:** Yeah.
251 **Callum Tulley:** Who?
252 **Male Officer 3:** [D5107]. [Inaudible] [D5107]
253 **Ryan Bromley:** Because he thinks I live in Lewisham, he was saying he'd go to Lewisham
254 and find me, just me. And then Leo, threatened Leo, Popeye; they weren't like normally
255 someone threatening you; like it was proper in detail, man.
256 **Callum Tulley:** What happened?
257 **Ryan Bromley:** We bent him up like two months ago, me, Leo and – Sean Sayers. He's got
258 no problem with Sean, just me and Leo, because Leo apparently grabbed his head a bit too
259 hard, and then that kicked him off on me.
260 **Callum Tulley:** What, did you put him on a flight?
261 **Ryan Bromley:** Yeah. And then he come about a month later. He's now – every centre –
262 everywhere, Harmondsworth rejected him because he set – he set fire to the – it spread
263 across the wing, or something.
264 **Unknown Officer:** He was eating glass the whole time.
265 **Unknown Officer:** Yeah.
266 **Callum Tulley:** Why is he allowed back here after what happened?
267 **Ryan Bromley:** Yeah. No, Colnbrook won't take him, because the last time he started – he
268 swallowed loads of glass.
269 **Callum Tulley:** Why is he allowed back here if he's already had his –
270 **Ryan Bromley:** We're the only centre that will take him. The Verne won't
271 **Unknown Officer:** That says it all, doesn't it?
272 **Ryan Bromley:** The Verne won't take him either.
273 **Unknown Officer:** Yeah, well, that's why he –
274 **Ryan Bromley:** The thing is, I bet – yeah, but if he's – if he becomes another [D1020] [
275 00:01:02:00], that's like two officers just on him, isn't it? Do you know what I mean?
276 **Callum Tulley:** Where's he from?
277 **Ryan Bromley:** Portugal.
278 **Callum Tulley:** I – yeah, but I don't get it. How did he get back?
279 **Unknown Officer:** The thing is, if you took [D1020] in – just to get attention, isn't it?
280 **Callum Tulley:** How'd he come back though if he's been deported? Is he – surely it's not
281 allowed?
282 **Unknown Officer:** Well, it's only Portugal, isn't it? It's not hard to get in a boat or anything,
283 is it? Buy a passport.

Alice, manager say
295 'oh put her on C-wing' I'll come in Monday, and he'll be on my wing.296 **Male Staff 2:** Listen there's ways around that though297 **Ryan Bromley:** Yeah there's ways around it, don't get me wrong.298 **Male Staff 2:** We'll talk, we'll talk later299 **Ryan Bromley:** Yeah course - Like I don't feel protected, you know what I mean300 **Male Staff 2:** Protected yeah.301 **Ryan Bromley:** Yeah, especially when it goes down to 2 per week, like we're gonna have 2
302 of us against 120 on D-Wing.303 **Male Staff 1:** [Inaudible] 140304 **Ryan Bromley:** Yeah 140305 **Callum Tulley:** What, cause of the new beds?306 **Ryan Bromley:** Dangerous man.307 **Male Staff 3:** These guys, haven't got a fucking clue, and some of them come from prison
308 [Inaudible]309 **Ryan Bromley:** Instead of worrying about cleaning, just worry about safety, personally, do
310 you know what I mean?311 **Male Staff 1:** Yeah, yeah, yeah, yeah.312 **Ryan Bromley:** Focus too much on cleaning, like stairs and floors and shit. I mean just focus
313 on protecting us.314 **Callum Tulley:** Nothing you can't handle though I'm sure.315 **Ryan Bromley:** No, no, like don't get me wrong, like if it came to it.316 **Male Staff 1:** With someone like that, it aint gonna be a fair fight though is it. If they've got
317 vendettas about somebody -318 **Ryan Bromley:** [Inaudible] without being 'oh the big I am', On the other side I would happily
319 be on a wing with him. I just know he's not going to be a normal fighter, he's going to be a
320 horrible cunt.321 **Callum Tulley:** Well you have the whole rest of the wing to contend with as well.322 **Ryan Bromley:** It's a bit different if I start stamping him out on the wing, it's a bit un-called
323 for innit. But he will do that to me. Do you know what I mean, when I've only got for
324 example, a female on my wing that's too, you know, I'm fucked.325 **Callum Tulley:** I wish I could remember what it's like, who it is.326 **Ryan Bromley:** But when you fine with that you can't [Inaudible] reports.327 **Male Staff 3:** [Inaudible] why?328 **Male Staff 2:** I think its [Inaudible]
