Gatwick Counter Terrorism Referrals

- There was 1 referral made at Tinsley House
- There were 5 referrals during the month at Brook House

Brook House Breaches

There were 2 breaches recorded during June.

They were:-

- Visitor entrance electronic door into the main central building was found unsecure.
- A large bunch of keys was found in the staff gym stairwell. They appear to be office/notice board based keys.

Tinsley House Breaches

There was 1 breaches recorded during June.

They were:-

- Dog Boxes in Zone C (Opposite Sports shed) were insecure. Padlocked locked around handle of door instead of bolt.

Trends and Hotspots at Gatwick

- *C Wing have had the most amount of reports submitted this month.*
- *There has been a large amount of reports surrounding potential drug use but not many finds.*
- *Incidents at height continue to be a trend within the centre with further occurrences.*
- *Post seemed to be the preferred method of drugs trafficking with some significant detections being made.*
- *40 – 49 year olds are the highest reported age this month.*

Gatwick Objectives

- Develop a clear counter acting strategy for those detainees who are repeatedly taking PS and requiring medical treatment.
- Intelligence is required to identify a hierarchy where possible of the organised crime groups involved in the supply of PS, other drugs and illicit items into the centre given a number of nominal detainees have left the centre.
- The new room search forms is now in use.
- Update and implement new training package for ITC and Yearly Staff Refreshers.

APPROVED/AMENDED SECURITY OBJECTIVES (this section will provide the final security objectives for the forthcoming month, may show a slight variation subject to competitive analysis, and may require briefing updates/amendments accordingly)
