History: Rude and aggressive stated "fuck you all" and walked off

01 Apr 2017 13:57	Surgery: CHAUDHARY, Saeed (Dr) (Clinical Practitioner Access Role)
-------------------	--

History: Pt stormed in the room demanding to discuss about his medical problems, I have asked patient to speak to the nurses so they can filter the issue. Pt getting aggressive, raising his voice, threatening me saying 'I have a good Lawyer' and I will make a complaint. Pt doesn't seem to want to engage in the healthcare process here. I asked patient to leave and speak to the nurse several times. he stood up and acted aggressively, I felt threatened. I called an officer who came a few minutes later but patient had already left. he was heard swearing in the waiting room before going. pt had an appointment this morning where he didn't turn up. I kindly did his medications for him but pt not keen to engage in the healthcare process.

As ambulance has not yet arrived so ambulance control called with ref number and they have been extremely busy and are coming to us but they have no idea when.

Oscar Phil mentioned we take him in a car but I am not happy with this as if his condition deteriorates on the way with a possible PE we have the equipment here therefore I have decided to wait for the ambulance and we are checking detainee at regular intervals and he knows to call for assistance if he feels more unwell.
