History: Refusing food (X767f) (Ongoing Episode)Day 7

Laying on his back awake in bed, normal breathing and movement of his eyes was seen. Refused physical observation and to engage. His table cleared or plates with stale food. It also appears as though his room was clean. There was no offensive smell or urine. However, the sink inside his room needs to be cleaned, an officer on the wing confirms that he was going to sort out same.
