In-Possession Medication Compact

I understand that during my time at this establishment, I may be granted the privilege of having medication prescribed by a member of the healthcare team issued to me in my possession. I also understand and agree to ALL the following statements:

- I will take and use the medication according to the instructions given.
- I will collect my in-possession medication at the correct time.
- I will accept full responsibility for the safe-keeping of any medication issued to me.
- I will not give the medication to any other person (except when returning unused medication to healthcare staff).
- I will return unused medication and empty containers of medicines to healthcare staff at the earliest opportunity.
- I will not attempt to store-up or accumulate medications.
- Medication will only be kept in containers in which it was supplied, and I will not tamper with or alter the container in any way.
- Subject to the circumstances involved, lost or stolen medication will not normally be replaced.
- Any problems complying with this agreement will be discussed with healthcare staff at the earliest opportunity.
- I agree to abide by the above conditions and understand that failure to comply may result in the privilege of in-possession being withdrawn.
- I understand that I may be 'spot-checked' on whether I am using and storing my medication properly.
- I understand that if I do not sign this compact it will result in me having to attend the nurse dispensing and take my medication at the unit medication time.
