Steve Loughton: [Inaudible]? Can I speak to you? Can I speak – [inaudible], I need to talk to you.

Male Officer 1: Too early for this shit.

Steve Loughton: [Inaudible].

Unknown Detainee: [Inaudible]. He is pissing me off because he thinks he is an officer.

[Inaudible] What do you mean who?

Steve Loughton: I just got here. There has been a response.

Unknown Detainee: [Inaudible] Ask him then. Don't ask me. There is cameras there and there are officers there. Ask them. Ask them what happened.

Steve Loughton: I'm asking you what happened because obviously you were involved -

Unknown Detainee: Leave me alone. No. I don't want to talk about it.

Steve Loughton: But I need to talk about it. [Inaudible] response. We have just had a response -

Unknown Detainee: No. I am having my breakfast. I am having my breakfast. I just woke up.

Steve Loughton: [Inaudible]. Well you've woken up in a bad mood.

Unknown Detainee: Get me off the wing [inaudible]. Let me finish first. Please.

Steve Loughton: What's going on mate? All I seem to be doing is moaning at you recently and all you're doing is flipping – giving me grief.

Unknown Detainee: [Inaudible]. You guys know what happened to me on Sunday? That is why I am pissed off.

Steve Loughton: What, when you went to go on the flight?

Unknown Detainee: [Inaudible]. Yeah.

Steve Loughton: [Inaudible]. Yeah, but that is nothing to do with us, is it?

Unknown Detainee: I don't care if it is nothing to do with you. You're still the same. You represent the same [inaudible].

Steve Loughton: [Inaudible]. I don't represent [inaudible]

Unknown Detainee: [Inaudible]. Oh my god. It doesn't matter if you are a different company. [Inaudible] same fucking system. I don't care. Stop saying that you are not [inaudible]. You are.

Steve Loughton: No I am not. So what are we doing? You getting packed up?

Unknown Detainee: I'll pack my stuff as soon as I finish my breakfast. Please.

Steve Loughton: [Inaudible]. Okay, we will have an officer waiting outside for you.

Unknown Detainee: [Inaudible].

Steve Loughton: [Inaudible]. I don't know [inaudible] I'm trying to ask you, but you are being awkward and not telling me. We don't need [inaudible] but I need to know you are not going to go [inaudible] on the surgery and cause trouble on the wing.

Unknown Detainee: [Inaudible]. I don't even want to look at that guy.

Steve Loughton: I'll do what I need to do. I'm not having you telling me what I have got to do and when I've got to do. Because I've had all that with you. All I do is help you out and I get nothing back. So I'll be looking at the cameras and then I'll find out what we have got to do with you. Alright? I'll have an officer out here so pack your stuff.

Unknown Detainee: [Inaudible]. I'm pissed off.

Steve Loughton: I'm pissed off myself, if I'm honest.

Unknown Detainee: Really? At least you get to go home, don't you? Do you get to go home?

Steve Loughton: I do get to go home. But why is that - ?

49 **Unknown Detainee:** [Inaudible] Your situation is not the same as mine or any other
50 detainees.
51 **Steve Loughton:** But who put you in that situation?
52 **Unknown Detainee:** It wasn't me.
53 **Steve Loughton:** It certainly wasn't me.
54 **Unknown Detainee:** [Inaudible] Do you work for them? Do you work for them?
55 **Steve Loughton:** [Inaudible] I don't think you'll find I do. I don't think you'll find I do. I work
56 for G4S – no I don't. There's the Home Office –
57 **Unknown Detainee:** Who does G4S work for?
58 **Steve Loughton:** [Inaudible]
59 **Unknown Detainee:** Who pays G4S?
60 **Steve Loughton:** G4S is their own company.
61 **Unknown Detainee:** Exactly. It's a company. So who pays G4S?
62 **Steve Loughton:** We needn't get into an argument over who pays what. The reason you're
63 here is something –
64 **Unknown Detainee:** Are you going to answer the question?
65 **Steve Loughton:** Well it's a stupid question, isn't it?
66 **Unknown Detainee:** Not really. Because you can't answer it.
67 **Steve Loughton:** Well it is. I'm not arguing about G4S mate. I'm arguing because you have
68 been causing problems on the wing. Get your stuff packed up, I'll have all the cameras on you
69 so I'll let you know when you're going. [Inaudible] come outside, I'll have an officer waiting
70 out here.
71 **Steve Loughton:** Knobhead. Fucking arsehole. [The Officers have left the detainee's cell but
72 the door is still ajar. However, this comment was not made loudly so unsure whether detainee
73 heard it]
74 **Male Officer 1:** [Inaudible] Fucking arsehole. [Officers have since moved into another room]
75 **Callum Tulley:** [Inaudible] 8:30 in the morning, right?
76 **Male Officer 1:** Complete arsehole.

85 **Sean Sayers:** Fuck knows mate. [Inaudible].
86 **Callum Tulley:** What's up?
87 **Sean Sayers:** He is gay. That is what his triggers are because he hasn't got any family or
88 friends to visit him because they've all disowned him because of his sexuality.
89 **Callum Tulley:** Is that right?
90 **Sean Sayers:** That is what it says in there, anyway.
91 **Callum Tulley:** Where is he from?
92 **Sean Sayers:** Pakistan.
93 **Callum Tulley:** Is he – was he trying to hurt himself, or something?
94 **Sean Sayers:** [Inaudible] Don't think so. Threats of suicide, knows how he's going to do it,
95 but what he describes how he's doing it. Fun and games, mate.
96 **Callum Tulley:** Yeah, I was going to say, how come you are down here?
97 **Sean Sayers:** We got him signed on this morning and they asked me to come down and
98 cover the constants so the night staff can go.
99 **Callum Tulley:** What, and you've just been down here ever since?
100 **Sean Sayers:** Well yeah, because Gary and Mike are on their own.
101 **Callum Tulley:** Are they?
102 **Sean Sayers:** So I was like, well they have got 4 down on C Wing so -
103 **Callum Tulley:** Well, it's alright, as long as you rotate, it's not too bad, is it?

112 **Female Officer 1:** Do you want any books, [inaudible], we've got activities, do you want any
113 activities to pass the time?
114 **Callum Tulley:** Newspaper, anything like that?
115 **Female Officer 1:** There you go, he is your man.
116 **Callum Tulley:** What's wrong, what has he been doing?
117 **Female Officer 1:** Um, he has got a flight today so they're - he's a previous self-harmer so -
118 **Female Officer 1:** So yeah, just keeping an eye on him to make sure he is safe.
119 **Callum Tulley:** Oh yeah, you have stopped flights in the past, haven't you mate?
120 **Female Officer 1:** Yes.
121 **Callum Tulley:** Where are you going, Afghanistan?
122 **Unknown Detainee:** I don't know [inaudible].
123 **Callum Tulley:** Yeah, [inaudible]. They're not going to take you?
124 **Unknown Detainee:** [Inaudible]
125 **Callum Tulley:** Why won't they take you? Are you going to stop it?
126 **Unknown Detainee:** Huh?
127 **Callum Tulley:** Are you going to stop it again? Why can't you get back - why can't you get
128 back -
129 **Unknown Detainee:** [Inaudible].
130 **Callum Tulley:** Why can't you get back to Afghanistan?
131 **Unknown Detainee:** My family know nothing.
132 **Callum Tulley:** What?
133 **Unknown Detainee:** I don't have family, no nothing bro. I've been here, 5 or 6 years man.
134 [Inaudible].
135 **Callum Tulley:** How are you going to stop your flight?
136 **Unknown Detainee:** Huh?
137 **Callum Tulley:** How are you going to stop your flight? You what?
138 **Unknown Detainee:** I don't know [inaudible].
139 **Callum Tulley:** Yeah. Well, be good, don't hurt yourself.
140 **Unknown Detainee:** [Inaudible] TV is not working.
141 **Callum Tulley:** Well, they have taken the cords away because they don't want you to do
142 anything silly, right? [Inaudible].
143 **Female Officer 1:** [Inaudible]?
144 **Callum Tulley:** I'm good, I'm good, thanks. I'll see you again, mate.

153 your tolerance levels are a lot lower. Even though you can get the majority of drugs in this

154 building, they are not going to be probably not as strong as they would be on the outside.

165 **D149 (Detainee):** What, you can't do it?
166 **Callum Tulley:** I can't cut hair.
167 **D149 (Detainee):** [Inaudible].
168 **Callum Tulley:** 28.
169 **D149 (Detainee):** 28?
170 **Callum Tulley:** Yeah, I just look older – I just look younger.
171 **D149 (Detainee):** [Inaudible]?
172 **Callum Tulley:** 32.
173 **D149 (Detainee):** [Inaudible].
174 **Callum Tulley:** How old are you?
175 **D149 (Detainee):** 25 bro. I turn 26 next month. Next month. You know what I'm saying?
176 Boom. If I'm still here, I'm having a big smoke, innit. No way. Big fat spliff. [Inaudible]. My
177 mum. Sister. Brother. Girlfriend. My older brother's girlfriend. My other brother's girlfriend.
178 My sister's boyfriend. That's £100 each. Know what I am going to get? A big fucking ounce.
179 And I'm gonna smoke. [Mimics stumbling in a stupor.]
180 **Unknown Speaker:** Maybe you could roll me a cigarette.
181 **D149 (Detainee):** Yeah man. [Inaudible] understand me why I smoke. You dun know.
182 [Callum laughs quietly]. I don't do that. I'm not shady, I don't think. I don't like it, you know
183 why?
184 **Callum Tulley:** Why?
185 **D149 (Detainee):** [Inaudible]. I remember [inaudible] in the back of the ambulance like
186 'we got a 25-year-old male who overdosed with this drug [inaudible].'

194 **D368 (Detainee):** I don't understand why people say 'again'. They remember last time I was

195 **Callum Tulley:** Well, exactly.

196 **D368 (Detainee):** I never used to smoke it at all. But this time, listen [inaudible] they put
197 me down off my methadone from a 40 straight to a 20 job. Which is unheard of. Really and
198 truly, they wanted me to actually do the full 40 job. But thanks to Brogan and Natalie and the
199 other one, even they said 'no you can't do that's - you'll kill yourself'. Cool, put me on a 20.
200 But when I go - some, some relief some symptomatics. You know what the nurses here can
201 be like, they give me the run around, pass the bucket like, like, on the wing, and I'm telling
202 them, listen, do you know how long I've been here? I know about wing cell, that is like telling
203 me to come and see you. And I'm like, first of all, you are not medically trained. Second of
204 all, they are the ones that will send me back to you, because they will have to phone up,
205 [inaudible]. Listen, help me out, I need symptomatic. Which is only paracetamol and
206 something for the tummy and that is it. It's something that you can buy over the counter.
207 Listen [inaudible] I went outside, saw someone having a smoke, had a [mimes smoking]. I
208 thought I'll medicate myself. Which is the wrong way, I know, but -

209 **Callum Tulley:** Why, uh, why are you on methadone in the first place?

217 **Callum Tulley:** [Inaudible]. So when you was – when you were smoking spice the other day,
218 was that your way of coping?

219 **D368 (Detainee):** Yeah, no, that was a way of me coping with the, with the –

220 **Callum Tulley:** Medication and stuff?

221 **D368 (Detainee):** Yeah, the symptoms, the symptoms, do you know what I mean? And the
222 actual going and asking for help, but I get the door slammed in my face. And to make it
223 worse –

224 **Callum Tulley:** What, from healthcare?

225 **D368 (Detainee):** Yeah. The [inaudible] that's what I'm saying. And yesterday -
226 [Inaudible]. Yeah, because Keith [?] came with me. [Inaudible]

227 **Callum Tulley:** The manager[?]?

228 **D368 (Detainee):** He's a manager [?], yeah Neil [?].

229 **Callum Tulley:** Yeah, yeah, yeah.

230 **D368 (Detainee):** They took me there. And he couldn't believe it. Chris, the nurse,
231 [Inaudible] the one that – Mr Goody Goody Two Shoes – started talking to me in a certain
232 way. Well, well, at the end of the day, you know me already. Before you know it, I exploded,
233 Callum. Then [inaudible]. Then he tried to get Keith involved when he saw managers coming
234 and then Keith actually – I seen him stood up and he went 'listen, what did I say before? I'm
235 not going to take your side, but right now? [Inaudible] getting involved in this conversation, I
236 don't think that what you supposed to take was just appropriate.' [Inaudible] in front of him,
237 to the managers. A tall, big manager. [Inaudible] arsehole as well. I'm telling him, in front of
238 him. And there was Steve as well, Steve was good, [inaudible], cool. So he has been made
239 aware of it. He was the one that done it to me, and then, [inaudible]. You come here, you left
240 here, [inaudible], you left here. And I went 'yeah [inaudible] and when I come back, , half an
241 hour, an hour later, I'm not even complaining to you telling you that I want more of this or
242 that, trying to manipulate like I was doing it, you know druggies and that. I'm actually looking
243 for symptomatic relief, which is something I have to take [inaudible] and paracetamols. Bro.
244 Shut the door on me. No, first telling me go here, there, and everywhere, and if you don't like
245 it then go and complain to these lot, and then you are looking like – more or less slamming
246 their door shut in my face, what do you think – what do you think I am going to do? Yeah but
247 no go smoke spice with my warm cup of tea. I had to leave and then by the time I got back
248 to you, was, I was literally cold, frozen up, and what? You are worried about your cup of tea?
249 **Callum Tulley:** Did you feel like you were in a position where you had no other choice but to
250 smoke spice?

251 **D368 (Detainee):** No, I didn't, I'll be straight with you. I'll be straight with you, I mean it.
252 I'll be straight with you, look, what happens the most is that... Natalie and them lot.
253 [Inaudible] I just saw them, that was yesterday, just saw them, [inaudible] that was what
254 done my head in even more because... How can I say it to you? Like they, they, and they
255 mean it, they really prove it, and they say 'we're here to help you and support you in
256 whatever help and support you need. Just come and let us know and we will help you out'.
257 And then when you have got the likes of Chris saying to you [inaudible]. He went 'you do that
258 next time, making me leave my cup of tea, well I told all the other detainees in the wing to

259 slap you if they see you, if they see you smoking spice or been smoking spice'. And I went
260 'you what?' And I swear, I wanted to see that smile, yeah thinking it was a joke [D368] shakes
261 his head and sounds like he says 'nope' but mostly inaudible], so I said, 'what, this is going to
262 sound so silly and stupid coming out my mouth [inaudible] but do you actually know who you
263 are talking to?' And he went 'what?' I went 'you are one of those new guys that has come in
264 here and don't know anything. I been in here before you know. And the first time I was here
265 [inaudible] Listen, listen, listen. Calm down. Let me explain something to you. I've come
266 here. I've made a change. Everything is cool. I don't speak to people like that, I don't even
267 talk to officers like that [inaudible] not even once [inaudible]. Don't speak to me like that
268 [inaudible]. Mandem are trying to hold onto my hand Callum, I swear I am not lying to you, I
269 swear even other people couldn't believe it, this Chris guy, this [inaudible], I don't know
270 [inaudible].

271 **Callum Tulley:** What, an officer?

272 [D368] **(Detainee):** No, a nurse. Touche [?]

273 **Callum Tulley:** What's her name?

274 [D368] **(Detainee):** Chris.

275 **Callum Tulley:** Is that a female officer [inaudible]?

276 [D368] **(Detainee):** No, no, male.

277 **Callum Tulley:** Chris?

278 [D368] **(Detainee):** Yeah, oldish. Bald hair. [Inaudible] DJ come up. [Inaudible] and a
279 manager. And as soon as he come out and shut the door, I calmed down like I was just
280 proper calm. And then they turn around [inaudible]. As soon as DJ come out, you see I
281 calmed down. DJ didn't even need to calm me down. Nobody needed to calm me down. Just
282 straight away as they approached, I knew that, alright DJ came and said 'I'll take you over'
283 and I went 'cool'.

284 **Callum Tulley:** DJ, who's that?

285 [D368] **(Detainee):** The Asian nurse. Short. He is alright, mate.

286 **Callum Tulley:** Is he male?

287 [D368] **(Detainee):** Yeah.

288 **Callum Tulley:** Asian nurse? Male nurse?

289 [D368] **(Detainee):** Yeah. But he is Caribbean or something.

290 **Callum Tulley:** Oh, [inaudible], yeah, yeah, oh yeah.

291 [D368] **(Detainee):** Yeah, and even [inaudible]. But it is just him, that one there, mate, yeah.
292 And I mean they are probably getting it like that from us all, but that just annoyed me for the
293 rest of the morning. So while I'm sitting with Natalie and [inaudible] .I've been through this
294 before but – I've had support and it has been a bit better than this, I'm not going to lie to
295 you. [Inaudible] Madness. Crazy.

296 **Callum Tulley:** Yeah, it's not good, really, but yeah, [inaudible] I'm not going to say that I
297 know what you're going through. Yeah, I'm going to look at it now.

298 [D368] **(Detainee):** [Inaudible]. See, things like that for example. Do you know how much I –
299 I don't think you seem to understand – how much I respect when someone says that. When
300 someone says words like what you just said. 'I don't know what you are going through. But I
301 can empathise'. Boom, boom, boom, yeah, cool. But then you get sometimes when the alarm
302 goes up [inaudible]. 'I know what you are going through, don't worry [inaudible]'. And I am
303 like, really? You are really going to say that to me? You know what I am going through? You
304 really know what I am going through? [Inaudible]

305 **Callum Tulley:** [Inaudible].
306 **D368 (Detainee):** [Inaudible], you know, similar things like this just now, there you go, you
307 got it perfect. Perfect. [Inaudible]
308 **Callum Tulley:** Yeah.
309 **D368 (Detainee):** [Inaudible]. Listen. You deal with people that have got a similar problem
310 to mine, or the same problem to mine -
311 **Callum Tulley:** Do you want to get out again or do you want to stay in Brook House?
312 **D368 (Detainee):** What, do I want to get out of detention or do I want to go to a different
313 detention centre?
314 **Callum Tulley:** No, do you want to get released?
315 **D368 (Detainee):** Yeah, of course, [inaudible].
316 **Callum Tulley:** But obviously, there's a time when you would have rather stayed here.
317 **D368 (Detainee):** What?
318 **Callum Tulley:** There was a time, when like you said, you would have rather stayed in Brook
319 House.
320 **D368 (Detainee):** Yeah, of course, I knew exactly what you meant, but the only thing is like
321 - I should word it better but I do want to come out, obviously, but even then Callum, I'm not
322 going to lie to you, I am a human being, I do like freedom just as much as... But, I was at a
323 point in my life when I turned things around and I started to think like a chess player, four
324 moves ahead. Should I just be content and happy because I've got - given a freedom, but
325 that freedom is just going to jeopardize everything else and make me get back to square one,
326 I might as well just stay put until a better solution can be found. That was my outlook on
327 things, that was were I was, or should I just be like [inaudible] and then get out. First two,
328 three days, maybe a week, and then, you know, back to square one, same predicament,
329 nothing changed, they're same, back to the same cycle, same square one. [Inaudible] Until
330 they find a plausible solution that both sides can come to agreement on... I don't want to stay
331 here, bruv.
332 **Callum Tulley:** Have you got a solicitor working on your case?
333 **D368 (Detainee):** [Inaudible]. One minute I've got one [inaudible] then they leave. At one
334 point I did. I'm still entitled to it.
335 **Callum Tulley:** Who is your solicitor?
336 **D368 (Detainee):** Duncan and Lewis.
337 **Callum Tulley:** What the name - because - I know a few of them.
338 **D368 (Detainee):** Yeah, Dennis.
339 **Callum Tulley:** Denise?
340 **D368 (Detainee):** Dennis.
341 **Callum Tulley:** Dennis, all right. [Inaudible].
342 **D368 (Detainee):** Do you know him?
343 **Callum Tulley:** The name rings a bell. He is one of them people, I would probably recognise
344 his face, do you know what I mean?
345 **D368 (Detainee):** Yeah.
346 **D368 (Detainee):** That is another thing, yeah. I need to chase up my property. See what
347 I'm saying? Just thinking about it gives you [inaudible]. I need to sort my section 4. I need to
348 sort my dentist.
349 **Callum Tulley:** Yeah.

350 **Callum Tulley:** How did you lose your teeth? Because you had a full set of false teeth when
351 you were last here. That was only about a year ago. How do you lose a full set of teeth in a
352 year? Only the top teeth innit?

353 **D368 (Detainee):** Yeah, yeah, [inaudible].

354 **Callum Tulley:** Oh, really?

355 **D368 (Detainee):** Yeah, I left one prison, and some of my clothes [inaudible].

356 **Callum Tulley:** How did you lose your teeth?

357 **D368 (Detainee):** I had them out -

358 **Callum Tulley:** No, your actual teeth.

359 **D368 (Detainee):** I had an accident. I had a fight. And before you know it, the infection had
360 them.

361 **Callum Tulley:** Ah I see, I see what you are saying. That is mad, man, you just got to keep
362 your head up, mate, do you know what I mean? I know – its so easy for me to say, but I've
363 got to say, I've got to tell you, you've got to keep your head up mate.

364 **D368 (Detainee):** No, it's nice, it's nice.

365 **Callum Tulley:** We only want – people only want – we only want the best for you, mate, you
366 know, it's not nice seeing you off your tits on spice.

367 **D368 (Detainee):** I know it comes from the right place, when it's coming from someone like
368 yourself, I mean I'll can't say the same about many but [inaudible]. Things like, I thought I'd
369 come back to this place, put myself together, small steps, go gym, go welfare. I went to the
370 gym, like you were saying, just to see [inaudible]. I went across to go welfare. There was a
371 queue from here to Timbuktu.

372 **Callum Tulley:** I believe it.

373 **D368 (Detainee):** There is more people in the wings, going back to their wings, sitting on
374 their wings and waiting and then coming back there. Whoever is that orderly thing thinks he
375 can just run his lot, you know? His countrymen or whatever [inaudible]. Another four or five
376 people in front, and after that man there, it is my turn and I will get to you [inaudible]. So we
377 left it to that. Two other guys come to talk to him in his language and he went 'yeah, yeah,
378 next, next, no worries'. I went 'they weren't even there'. 'No, they come from before and
379 then they left' 'Hold on, you said to me that I left, so why did you let them next?' So Gus [?]
380 set again back to square one innit. I just walked off.

381 **Callum Tulley:** Good move, mate. Good move.

382 **D368 (Detainee):** What about yourself, mate, are you alright?

383 **Callum Tulley:** I'm all right, mate, really. Just like you mate, passing the time, getting by
384 every day, same stuff different day.

385 **D368 (Detainee):** Yeah, yeah, [inaudible].

386 **Callum Tulley:** Just keep myself to myself.

387 **D368 (Detainee):** Best way, that's the best way, that is the best way. I'll be surprised, you

389 myself to myself. Do you believe that?

390 **Callum Tulley:** Yeah, yeah.

391 **D368 (Detainee):** And the more someone come around me, even the girdem, the more I
392 push them away. It even got to a point when I was gonna [inaudible] with them. Two of them
393 together [inaudible] both of them. [Inaudible]

394 **Callum Tulley:** Yeah, yeah.

395 **D368 (Detainee):** I'm not coming because I want you to get me something. I'm coming
396 because I don't want to use by myself. Yeah, it'll be too much. [Inaudible]. Even seeing
397 girls, I was actually seeing her, you know, to a point, but I'll be honest with you Callum, she
398 couldn't get me [inaudible] I'd be there, chilling with her. How about this? One time she got
399 sort of pissed off. She said like I could understand if you was into a couple of my friends or
400 even if he's eyeing up a couple of other girls while I was out, but he is not. Do you think he is
401 gay? That's what she sent in a text to someone else, just an innocent kind of text, but she's
402 saying, I don't know what's going on, has too much jail maybe turned him? Listen, when the
403 girl's boyfriend – he is my pal – showed me that, I went back with him to his girl's to see the
404 text, I couldn't believe it. I went back to hers. 'Why would you do that to me? What do you
405 get out of it?' She went, listen, it's like you don't even want to stay with me, like, you don't
406 even want to lay down next to me, like – and I put my hands around you and you push my
407 hands off, what's going on? It got to a point where I had to tell her, and I'll be straight,
408 Callum, I told it to her straight I said like 'the only reason why me and you is sort of in an
409 awkward relationship, is because of familiarity and familiarity breeds contempt'. That's all
410 there is [inaudible]

411 **Callum Tulley:** Yeah, yeah.

412 **D368 (Detainee):** And I know the same goes for her, [inaudible].

413 **Callum Tulley:** Yeah.

414 **D368 (Detainee):** [Inaudible]

418 **D368 (Detainee):** And that was it.

419 **Callum Tulley:** Yeah, man.

420 **D368 (Detainee):** And that [inaudible] why would you do that, that's your friend's money,
421 [inaudible]. She said to me, [inaudible].

422 **Callum Tulley:** Yeah, [inaudible]. Good to speak to you man.
