DPA

History: RMN

Examination: Seen on wing after request from DCM C Donnelly.

He shares a room with fellow detainee who attempted to hang himself yesterday.

States he is shaken and has reoccurrent thoughts and dreams about it.

Is also stressed about being detained and has been placed on a raised concern.

Had a fellow detainee in his room when visited and suggested that he ask to share with his friend.

Would like to be referred to mental health team.

Plan: Appointment booked for 10/7/17 at 10am

09 Jul 2017 10:43	Surgery: JITTA, Skeete (Mental Health Nurse)

History: Stress management (Ub014)

Emotional Health Group

Attended the group for the first time. Said he had not been able to sleep for six nights, that he woke up in the morning and after breakfast and was able to sleep for an hour. Said that he had witnessed someone try and commit suicide. He said that he did not have family in the country and he had been in and out of detention for the last four years.
