Notes:

1. The data refers to the number of people in detention at the end of the period.
2. Closed locations. See the user guide for dates of closures.
3. In detention data for as at 31 December 2022 and 31 March 2023 has been sourced from each detention centre's daily population lists with data for prisons sourced from His Majesty's Probation and Prison Services (HMPPS) weekly list of immigration detainees. For more information please see the User Guide.
4. As of July 2022, the figures for Yarl's Wood have been separated into people detained at Yarl's Wood IRC and people detained at Yarl's Wood STHF. Data prior to July 2022 shows people detained in both locations as Yarl's Wood IRC.
5. From July 2017, data on detention of immigration detainees in prisons is included in the immigration detention figures. Previously, individuals who were detained in prison would have been recorded in the data upon entering the detention estate through an immigration removal centre (IRC), short-term holding facility (STHF) or pre-departure accommodation (PDA). Now they are recorded upon entering immigration detention within prison.
