

THE ELECTRONIC COMMUNICATIONS CODE: COMPILATION OF CONSULTATION RESPONSES

The following is a compilation of responses to our Consultation Paper on the Electronic Communications Code,¹ which informed the recommendations to Government that were made in our final Report.²

Not all of the documents annexed to the responses have been included in this compilation. Two consultees wished for their entire response, and that fact that it was submitted, to remain confidential; accordingly these responses have not been included.

The responses have been redacted in accordance with the Data Protection Act 1998 and for the protection of sensitive and confidential information.
